Bobbie:
God, its been a long time, hasn't it? We've come along way together, sharing a lot of laughs and a lot of hard times. But it wouldn't change a thing. This was a blast. Remember Dawn of the Dead? That last year, lets go to the movies like that, cause we'll always remember that night. I want to make more memories friendship has had to withstand alot: time, parents, Shirley (ha!) & Annette. But its lasted, so happy that it has. I hope it lasts your senior year will be the best yet (Shitsville). I just hope I hope I see ya and Klein soon. And I hope I see you at BHS (Shitsville). I just hope I see ya forever. Happiest graduation, like I you'll be able to go to yours! (ha! ha!). better be going to yours! (ha! ha!).
sometime this summer (ha! ha!).

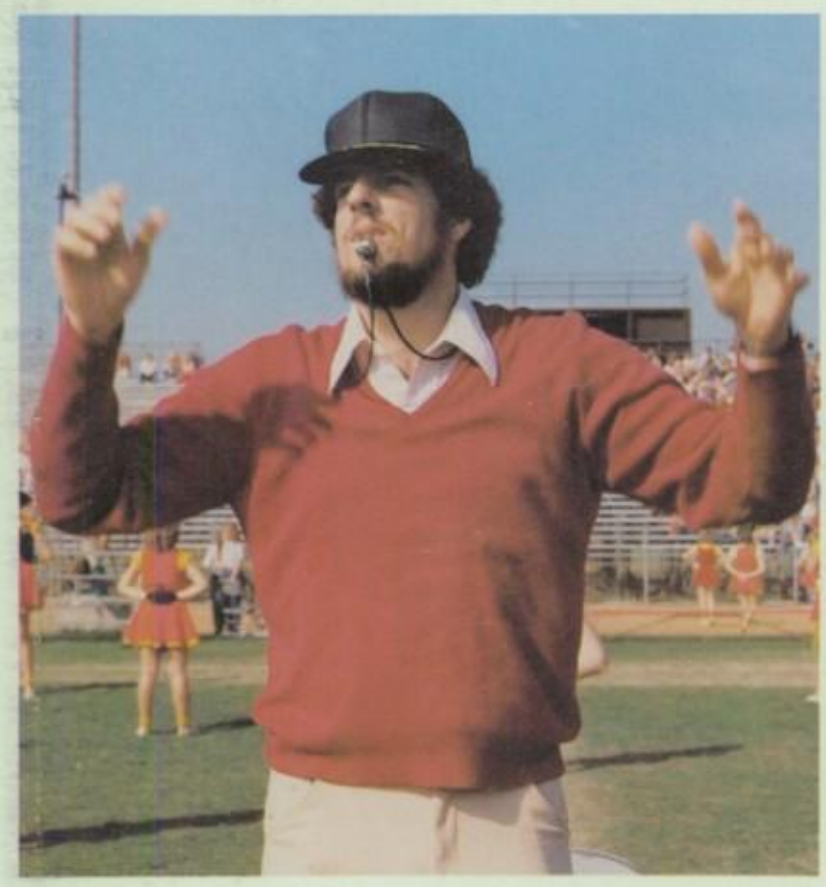
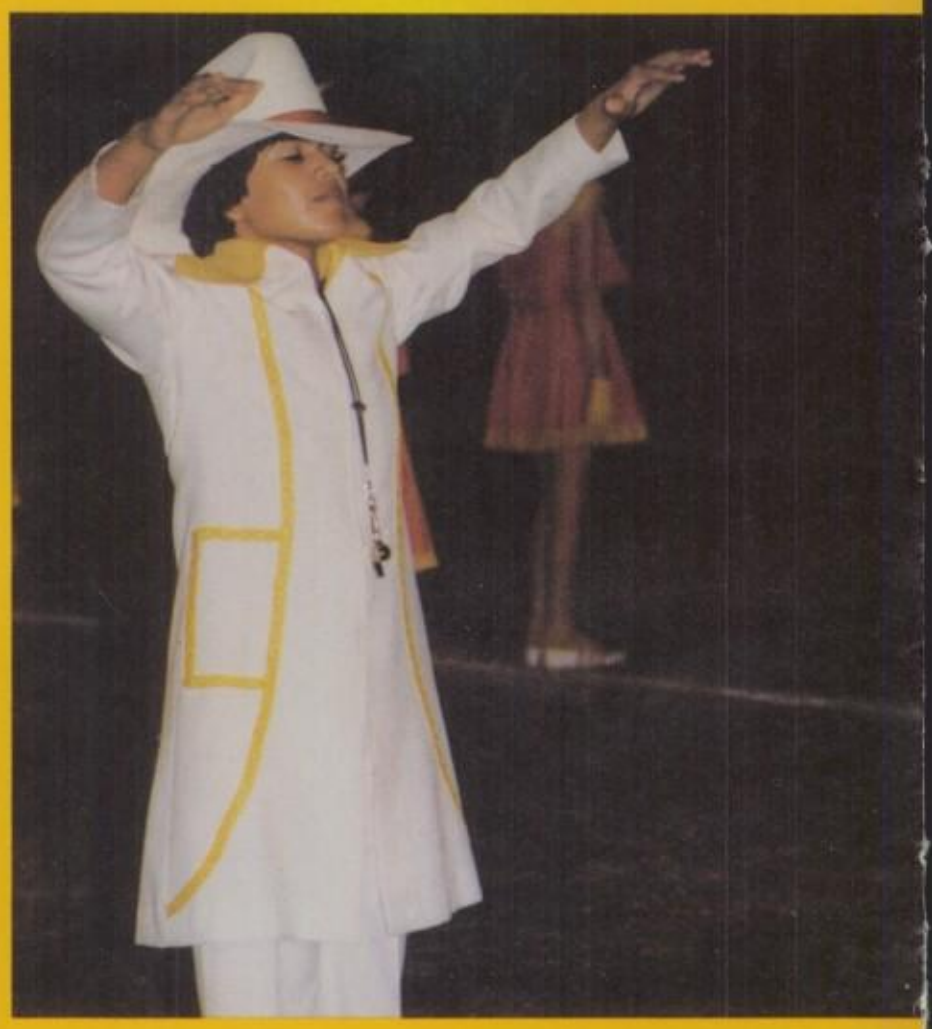
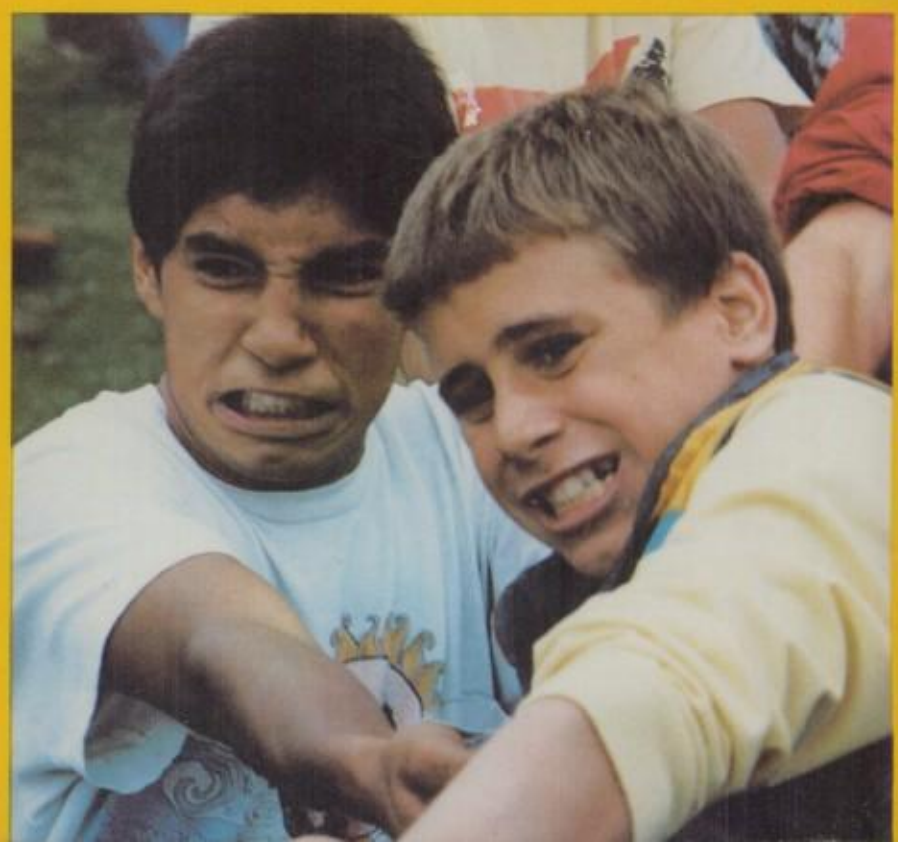
In today's world,

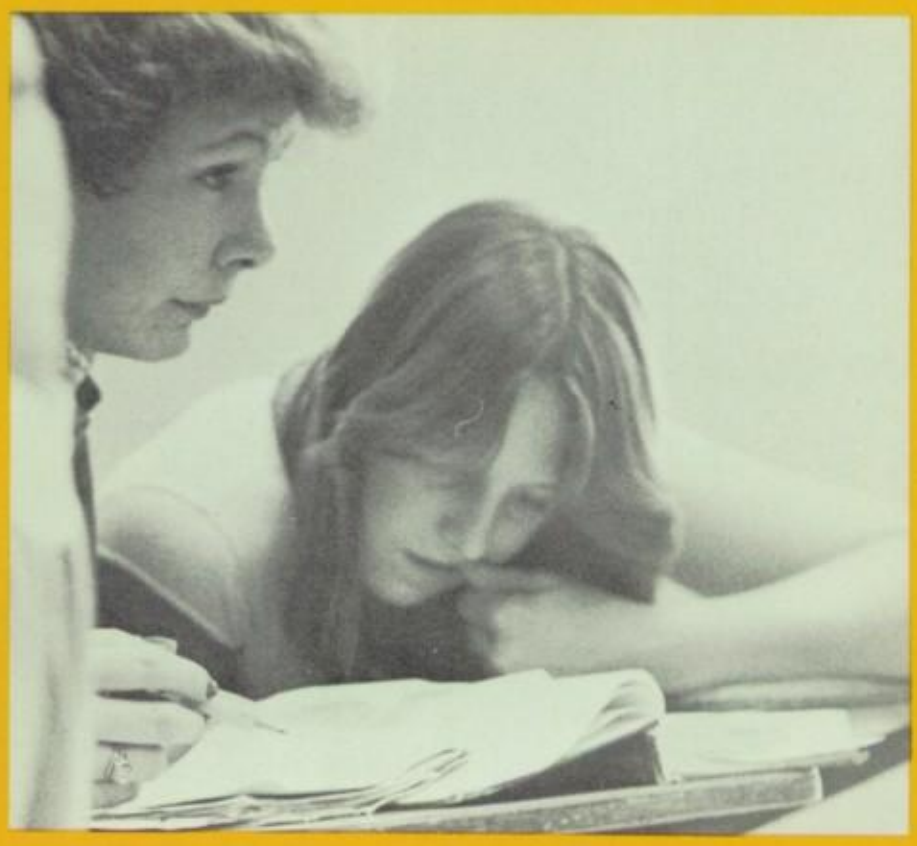


Where everything seems to whirl about faster and faster,



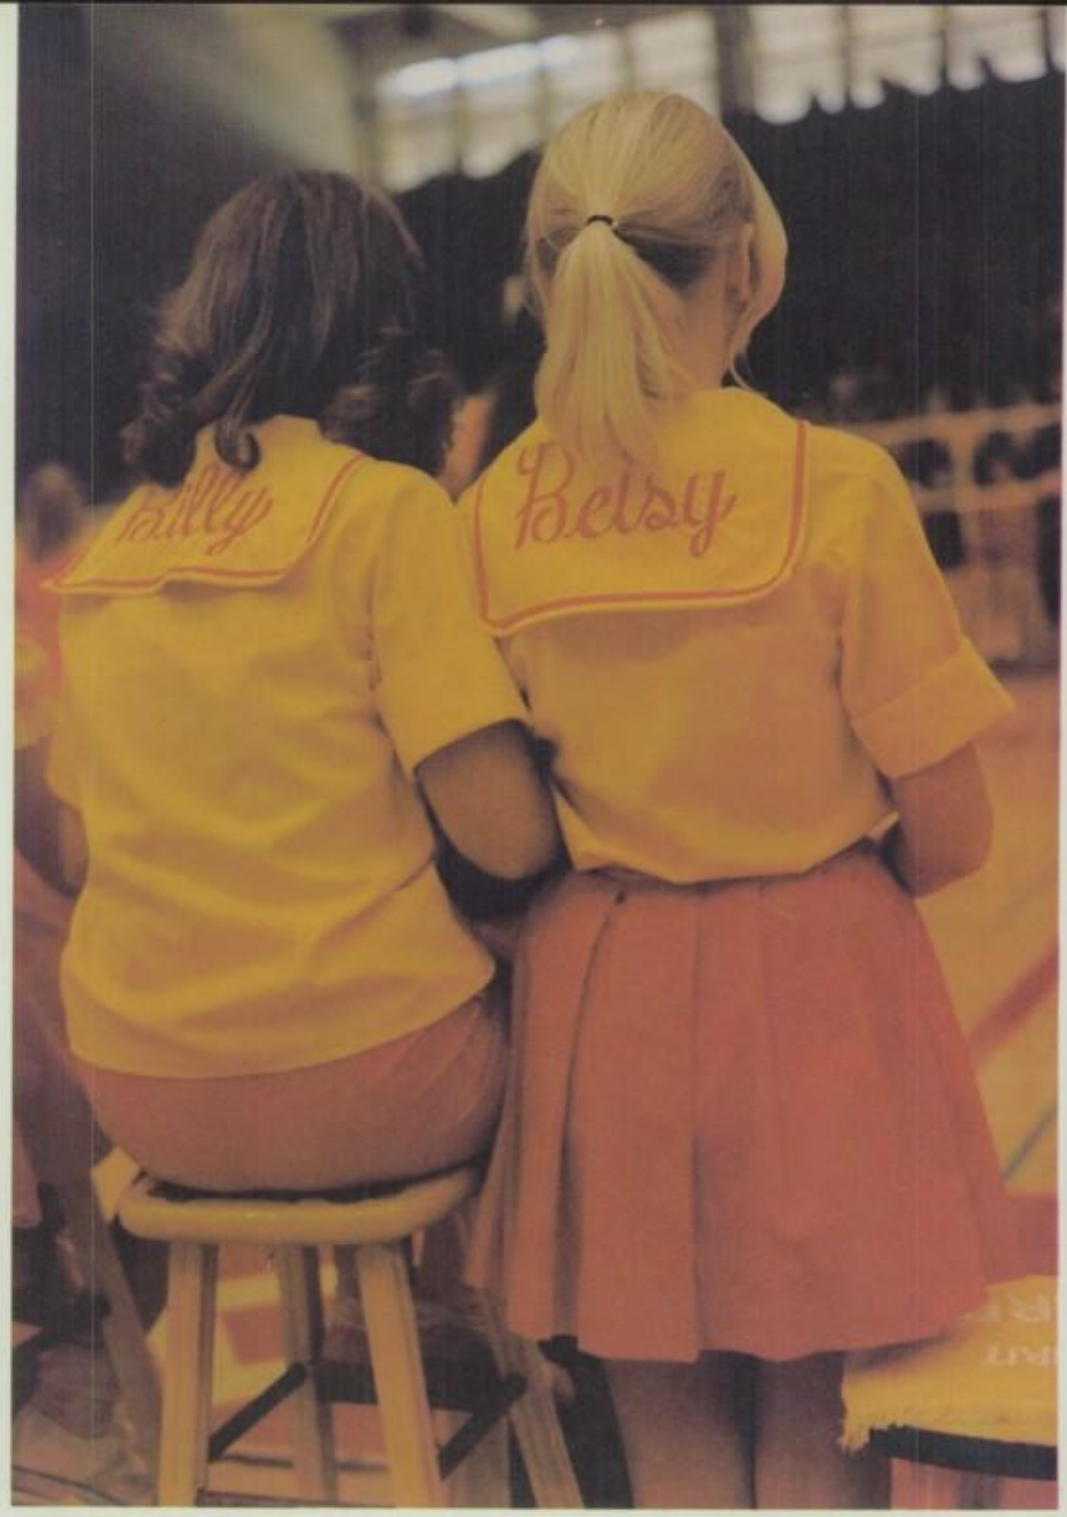
perhaps we should try

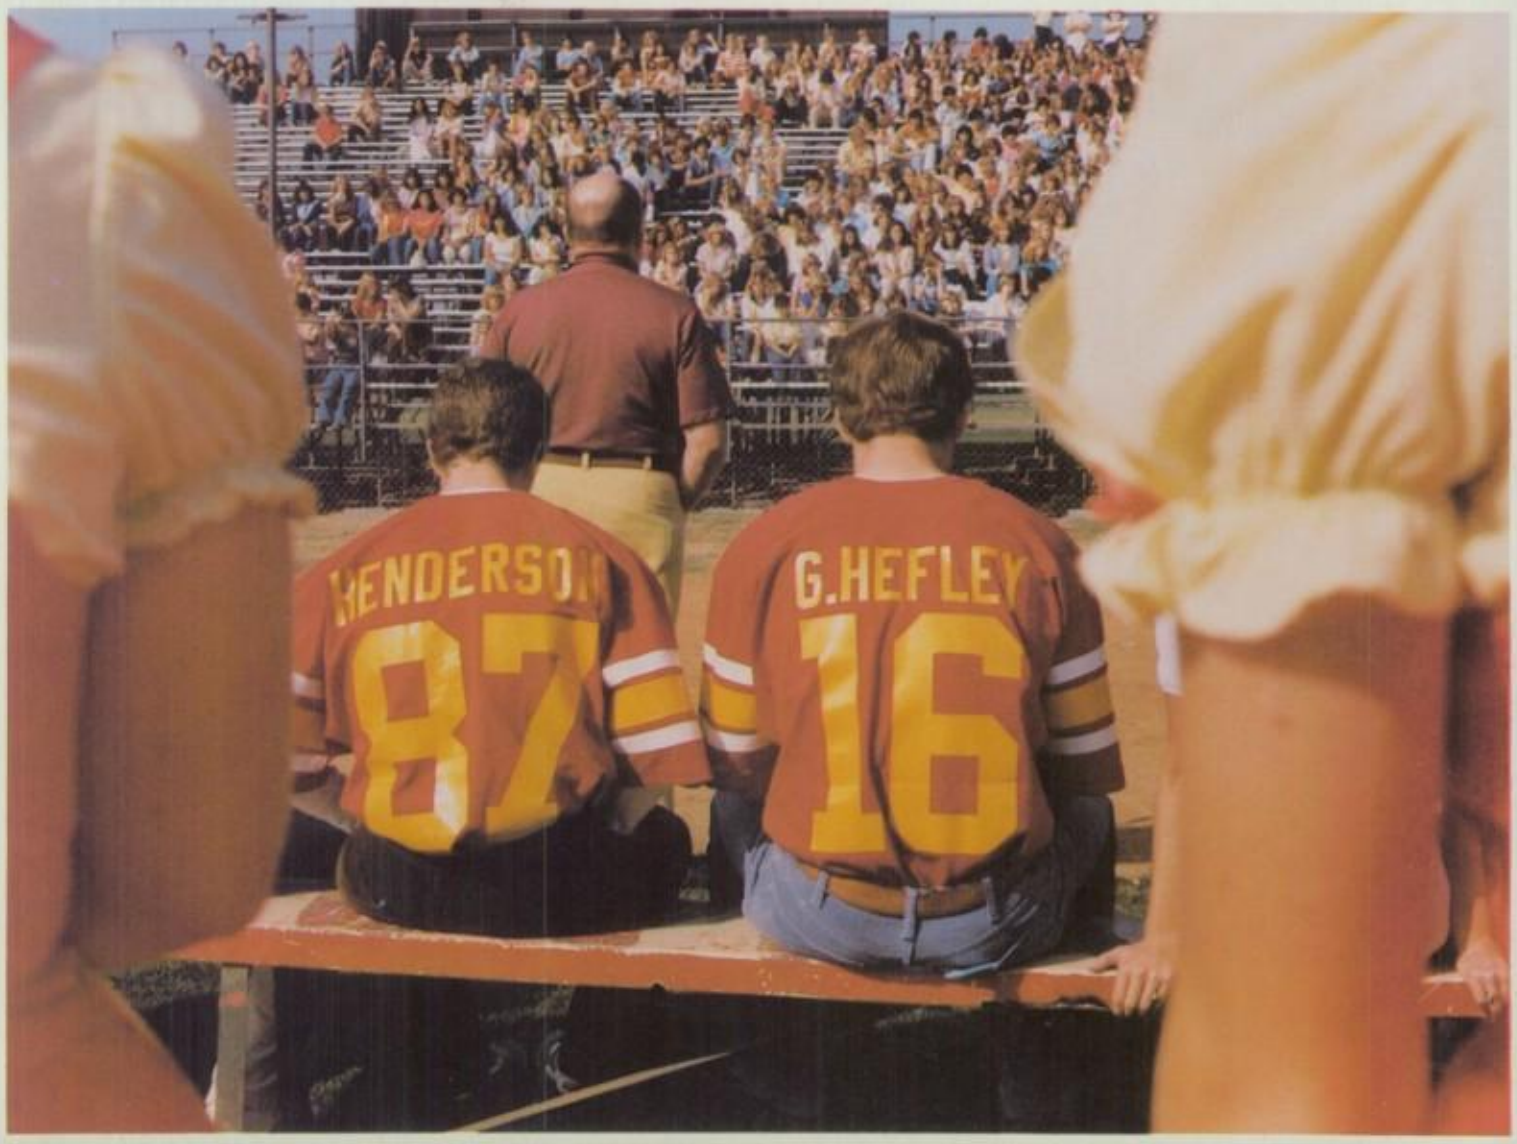


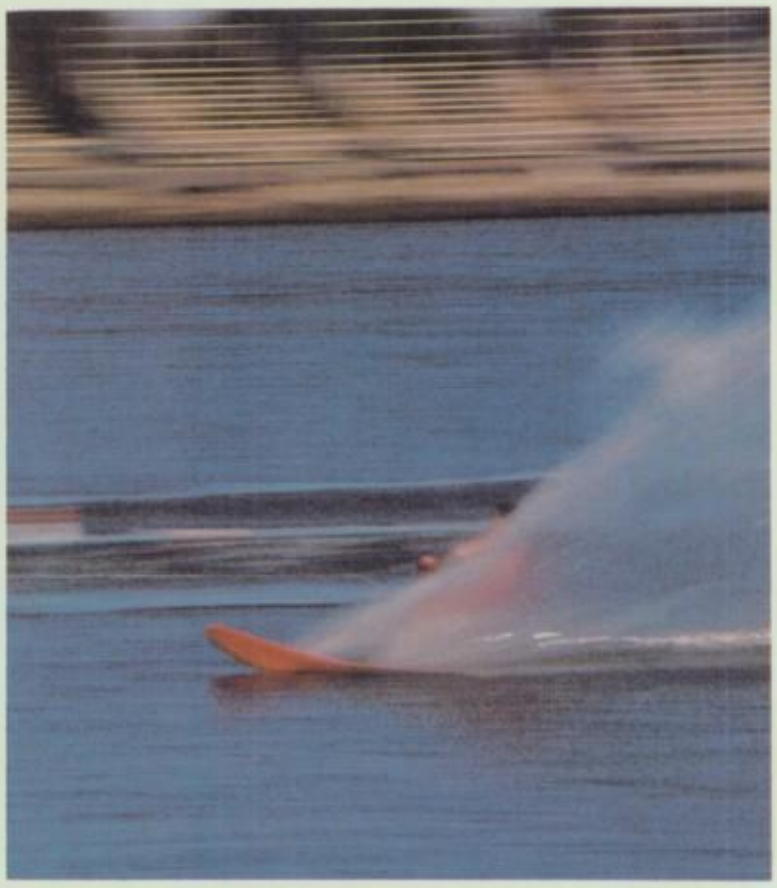


to slow down
and look around,

rather than to stay living in the fast lane,







while the world around us remains a blur

It's a
real fun
person. It was
lots of fun having
you in 2nd & 5th so
I hope we get some year
classes together next year.
You're a sweet girl so don't
change over the summer and have
a super, terrific fun summer.
Lots of Luv

Remember When . . .

We were Freshmen
Sitting on the floor at assemblies
Getting hit with pennies, candy, gum . . ,
We were the goat of everybodys jokes
But time moved on . . . and so did we

When we were Sophomores
When we thought we were better
When we finally got the hang of high school
Our Homecoming float took first place
We got our class rings
We got our drivers licenses

We were Juniors
We were a little older, a little wiser . . .
We finally got the courage to paper Senior Square
We lost our Powderpuff game
Our first prom
We moved up to the last rung on the high school ladder . . .

We finally became Seniors
We were finally there
Our football team went to CIF
We crowned Michelle as our Homecoming Queen
Mingling in Senior Square
The day all four years come to an end . . . Graduation

The friends we made, the tears we shed, the things we learned, the love we shared . . .
The memories we will cherish . . .
Forever

Bobbie,
You are so cute and sweet, I
glad I met you. I hope we are
always good friends. I know
you'll have a great Senior
year be a cheerleader and all.
Good luck with what ever
guy you choose. Maybe we
could all go somewhere this
summer. I'll see you at
work, bye.

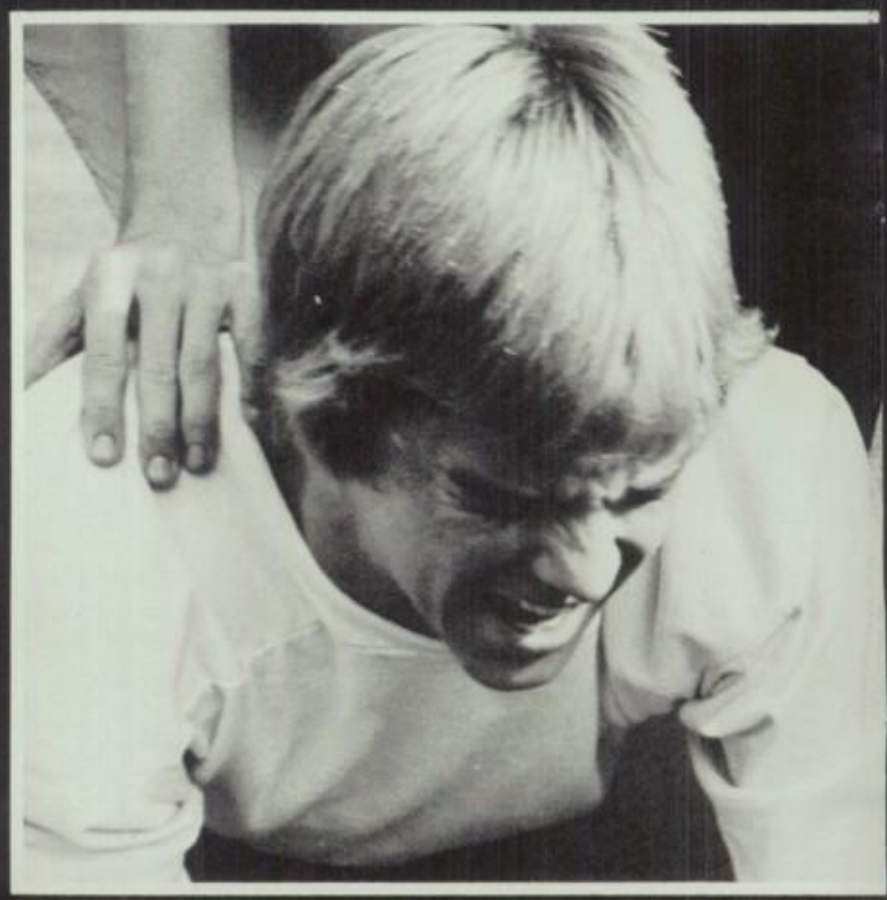
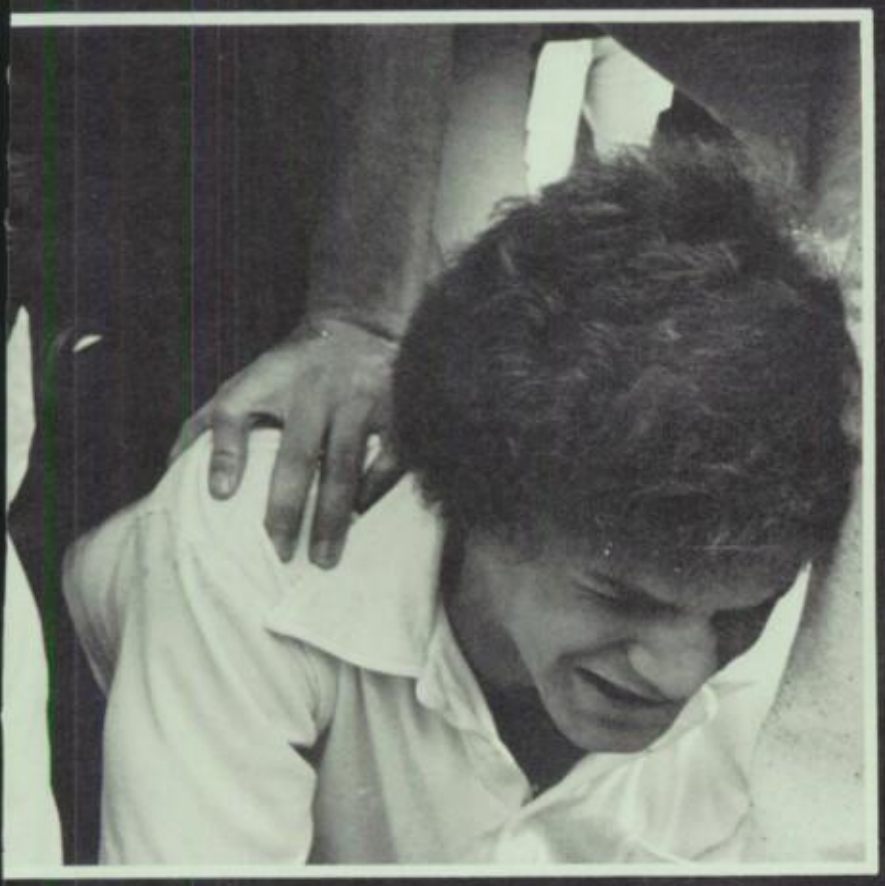
ACTIVITIES



Winter Sports Festival Week

This years Winter Sports Festival brought a week of fun and excitement to the seven girls chosen as princesses of high academic and extra-curricular achievement. The week concluded with an assembly on Friday, Jan. 18 and the crowning of Beth Watson as our 1979-1980 WSF Queen during the victorious game over Artesia.



Winter Sports Festival week included such activities as the annual tug a war, pyrimad building and the ever popular pie eating contest. The pretty boy contest, being this years new addition, turned out to be a fine success.

FRIENDS FOREVER, THE GANG

6/6/80

Bobbie,
I don't really know how to start off, We talk to each other every day. It's been really great having you with me in Model office, I'm Not Sure how I could have put up with Mrs. Olsen or Bruce or any of the others without having you here to listem to my griping. I hope next year we have model office again together. As long as Bruce isn't in here.

Can you really believe it, next year we'll be seniors It's almost to unreal. It seem like it was yesterday that we were freshmen, struggling to make it through the year. Were going to have to make next yeat the greatest cause it'll be the last one. Just think about it for a minute No more teacher or Report cards or Anything like that. And we'll all loose some-thing of great value, Some of our friends, what ever happens to you weather good or bad you better keep in touch. Well Bob, there's Not really to much more to say, So I guess I'll Close. Stay Sweet and Don't ever change for anyone. Stay the good person & friend that you are, and I'll See you in the Summer. Good Luck in what ever you do. May God always walk beside you.

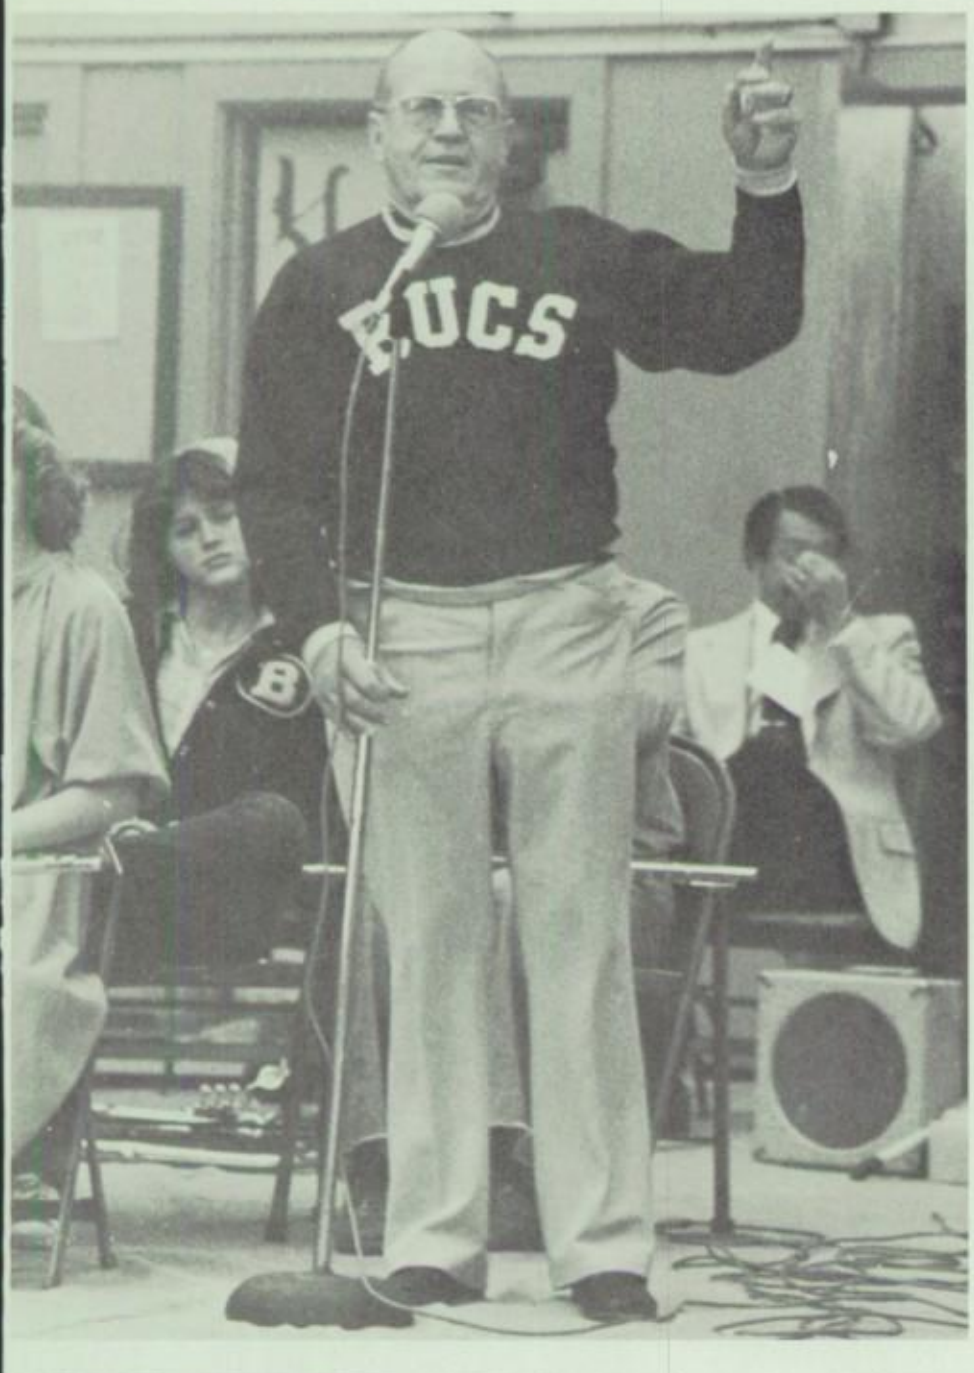
George
Prince

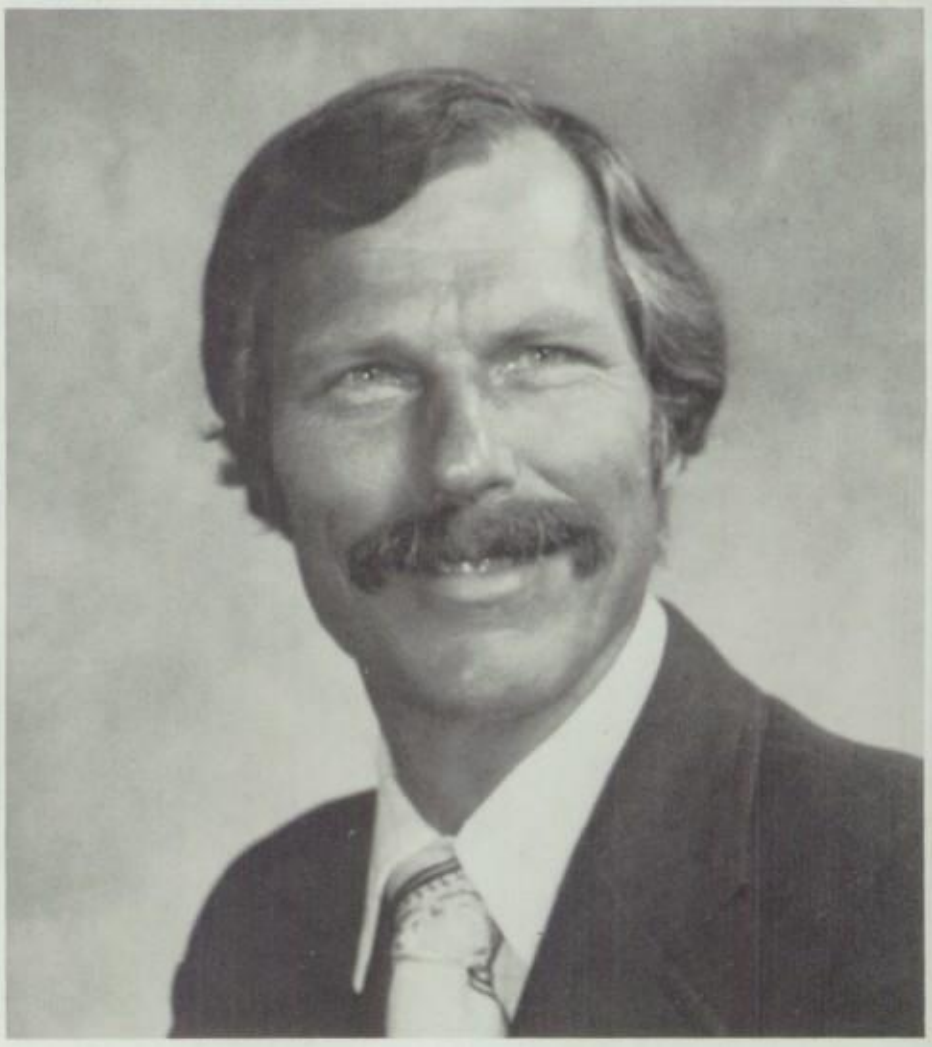


Principal

Serving as principal at BHS, with dedication, service and Buc Pride, George Prince decided this year would be his last. Leaving us at the midpoint of the 1980 school year, Prince left us all with a feeling of a great loss. The memories of him at assemblies showing us his spirit and his own renditions of "We are Family." and "What I did for Love" will stay in many of our hearts forever. Prince touched many students with his special way of making everyone feel proud to be a Buccaneer.

Vice-Principal

Left is Asst. Principal Charles Sanacore who is currently running the schools activities. Below is Asst. Principal Merwyn Smith who was promoted as principal after the resignation of Prince.



Counselors

Due to cut backs in the schools budget, the number of this years counselors was cut to three. Top is Dr. Trudy Clark, Senior Class; Middle is Joseph Stits, Sophomore Class; Bottom is Helen Beykirch, Freshmen Class. The three shared the Junior Class.

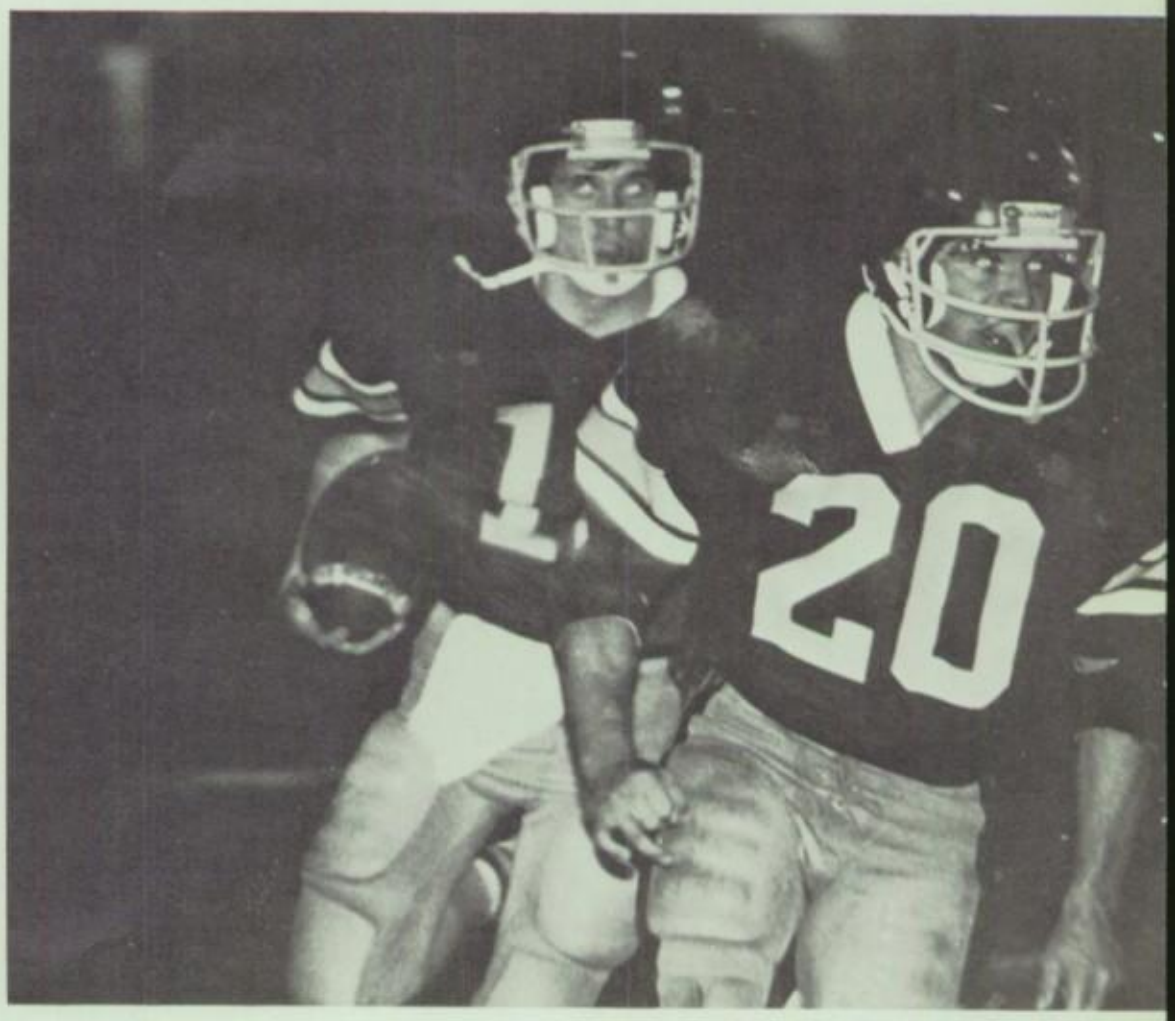
All-League Teams
Ist Team:
Mark Plllegrino-Offensive Guard
Greg Hefley-Offensive Back Field
Don Mitchell-Offensive Center
Paul DeSantago-Defensive Guard
Dave Ries- Defensive End, Offensive Lineman of the Year

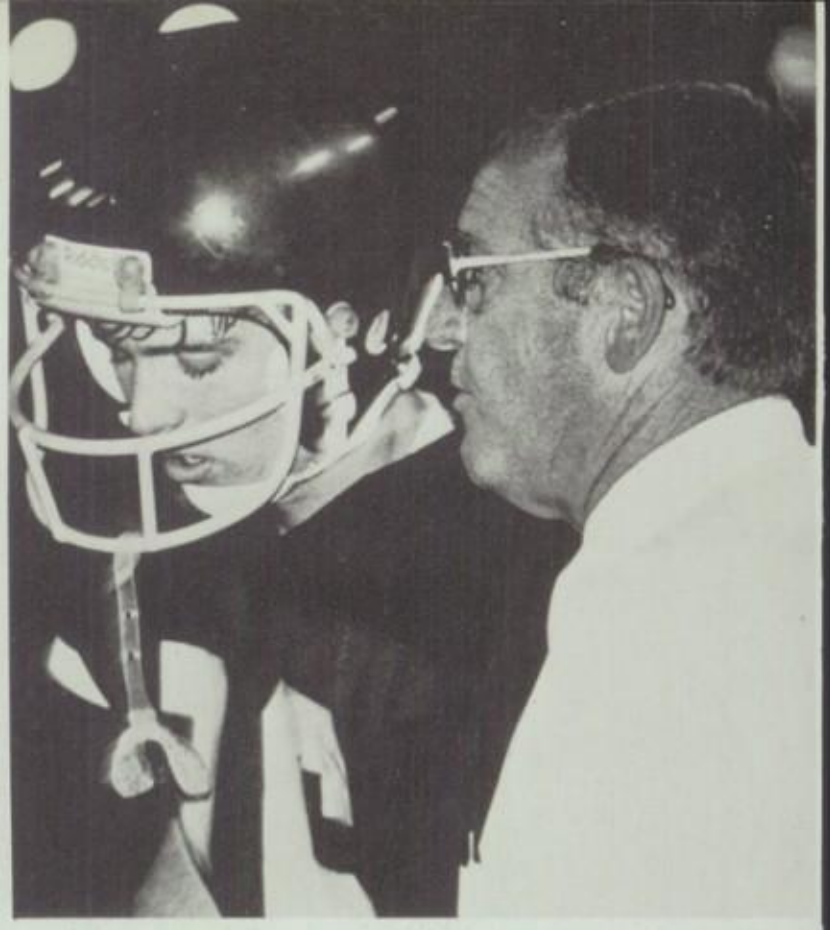
2nd Team:
Paul Garrison-Offensive Running Back, Kicker
John Nishimoto-Defensive Linebacker
Dave Ries-Offensive Tight End
Hyung Sik Yoo-Honorable Mention Offense
John Schnablegger-Honorable Mention Offense

The Varsity team did a fine job this year by obtaining 2nd place in league. Though the team did consist of many more juniors and sophomores than ever before, the Bucs proved they could pull the weight. The Bucs ended up with a 4-3 record which entitled them to go on to C.I.F.

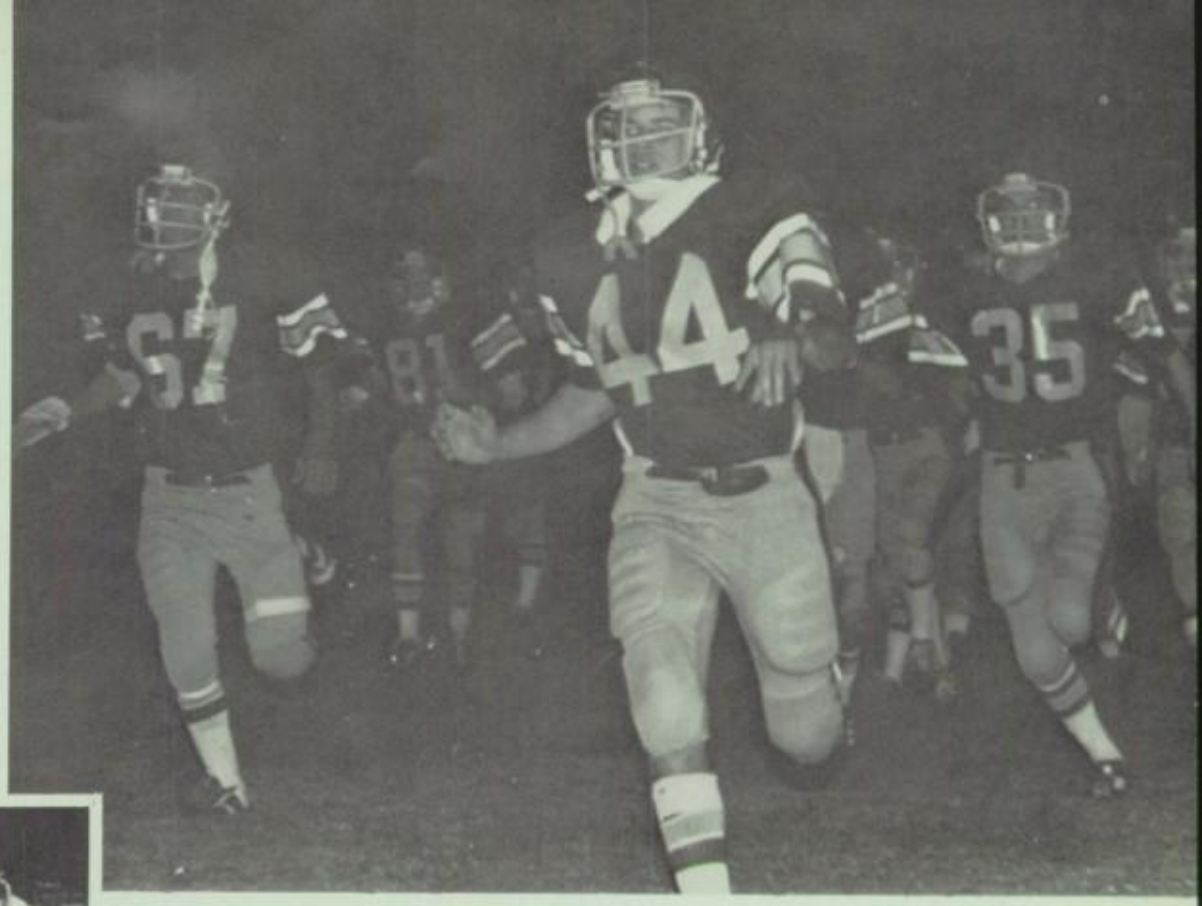
Senior Paul DeSantiago helped the Raiders defense to victory (top right). While teammate Hyung Sik Yoo was having a few problems (middle) But when Senior Tracy Day recovered a loose ball for the Bucs (above left), quarterback Greg Hefley would help out by marching it down the field for a touchdown.

It seemed like all year long the referees would never call anything and when they did it was against Bellflower, even though Senior Mike Richardson could prove that the referees sure did miss that face masking call (above). But then Senior John Nishamoto came back with fine running plays for the Bucs (right). Also helping out the Bucs, was Senior Paul Garrison (below), seemingly finding the open holes in the line and taking an advantage of them. He was also helping out quarterback Greg Hefley find an open field on the quarterback keeper (bottom right).





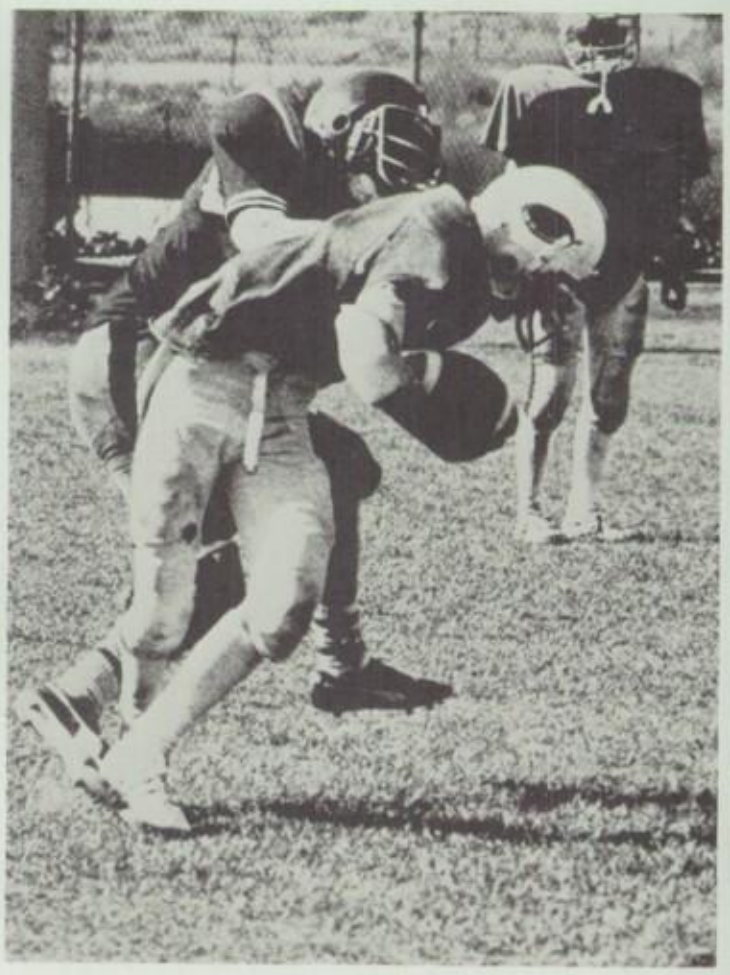
After Paul Garriaon's injury at the Glenn game, Tony Meyers replaced him. Meyers (above) shows his bulldozing style. While quarterback Greg Hefley gets a little advice from Coach to go against our tuffest opponent, Paramount. (right) But the Bucs stuck it out, or in Don Mitchell case, got stuck (bottom left). But in the end, it put a smile on Coach O'Dell's face.

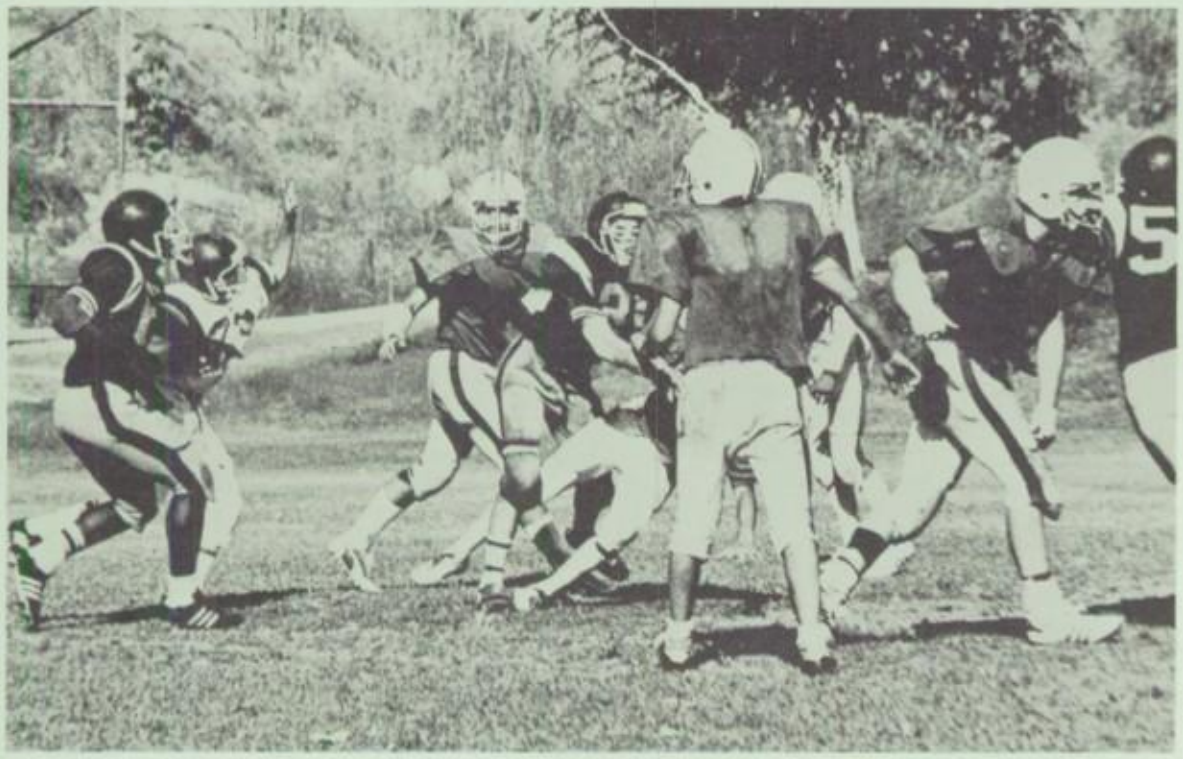


The Bucs went thundering into C.I.F. with high hopes (above). But they soon fell because it seemed like no matter how fast the Bucs ran (below left), or how hard the Raiders hit (top left), it was always useless. The referees were also making it very difficult on the Bucs. They never seemed to call any penalties against Leuzinger and when they did, it never helped the Bucs out. But Seniors Mark Pelligrino (51), Dave Ries (21), and Mike Richardson (30) kept looking on, hoping for that lucky break (left). It didn't come soon enough for the Bucs, so consequently we lost the game. But in the true spirit of our Buc Pride, the team went out holding their heads up high (below right).

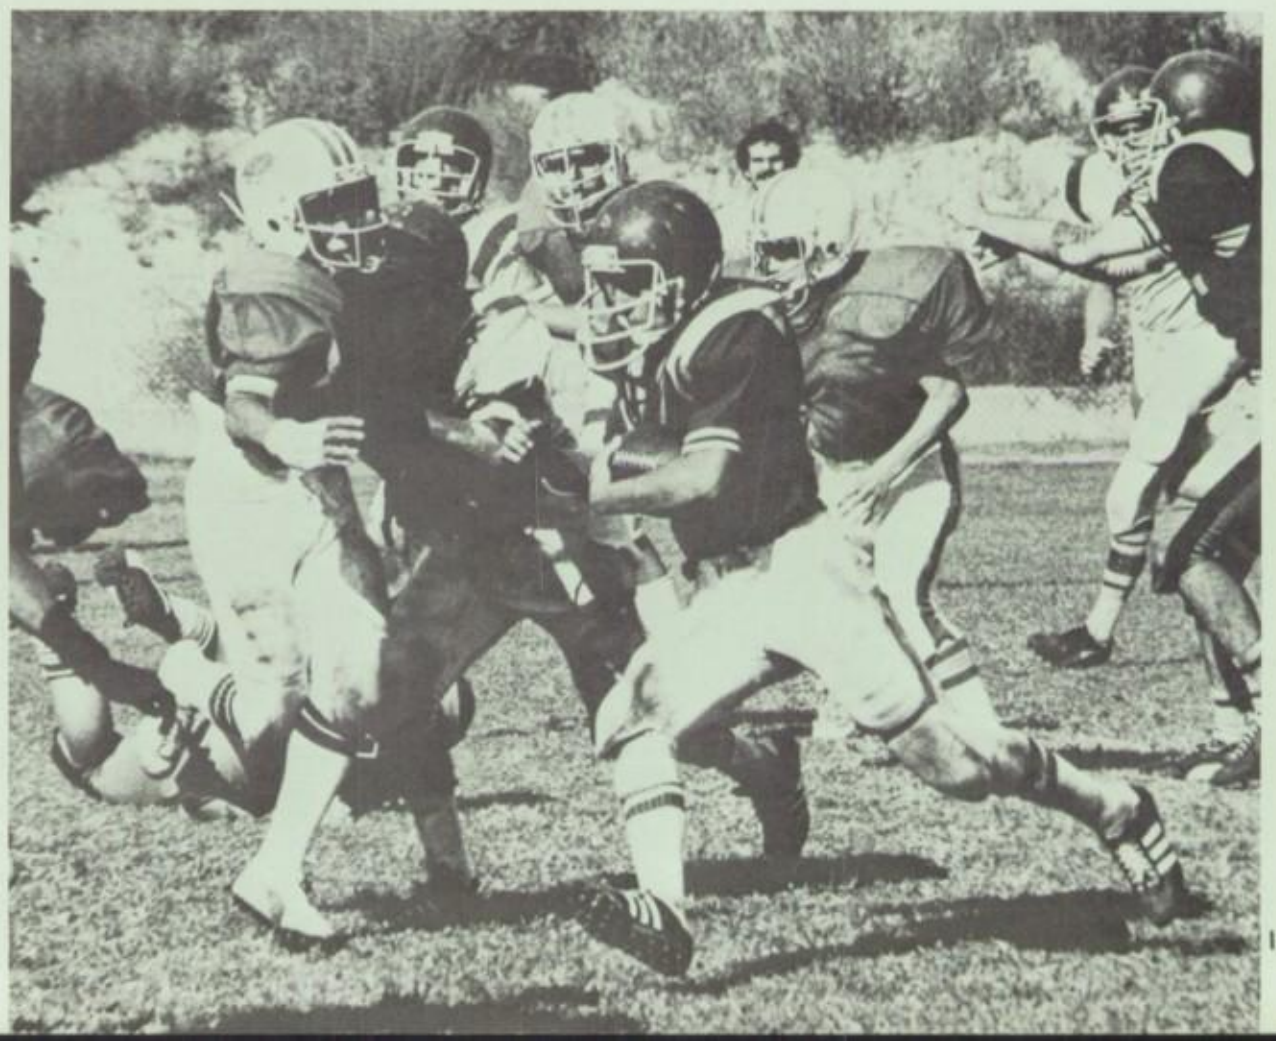
JV Football

Top Row: Left to Right: Hector Zavala, Jack Childress, Tony Macord, Coach Bill Mendes, Wayne Bolt, Mike Miller. Middle Row: Greg Lovering, Kyle Riche, Ken Hefley, Kevin Fasone, Dana Stits. Bottom Row: Mark Dayton, Craig Miller, Mark Vandenburg, Louie Lopez.





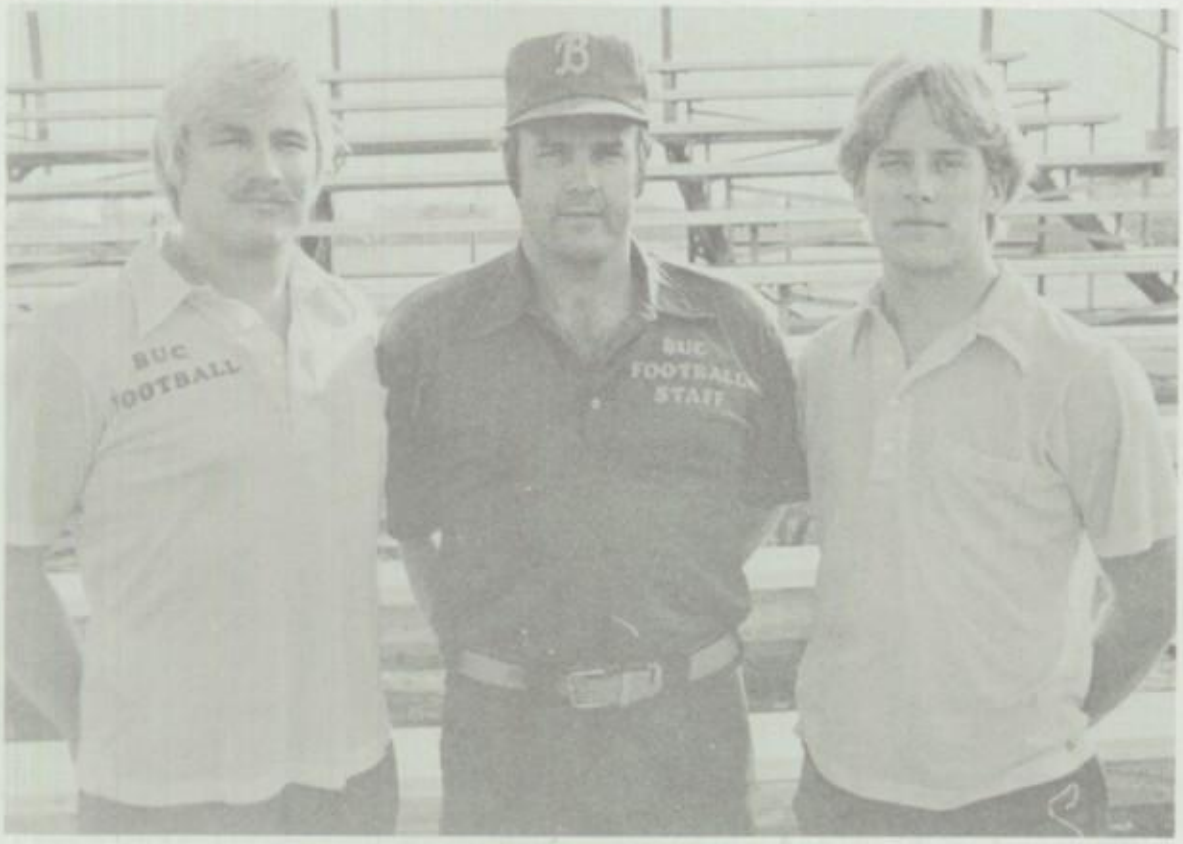
This year's JV Football team had a few problems. This was due to the fact that in our league many other schools don't have JV teams. Instead, they have sophomore team. So consequencly, many schools wouldn't play against us or the game would have to be forfeited. But all-in-all, the JVs ended up with a 4-4-1 record.



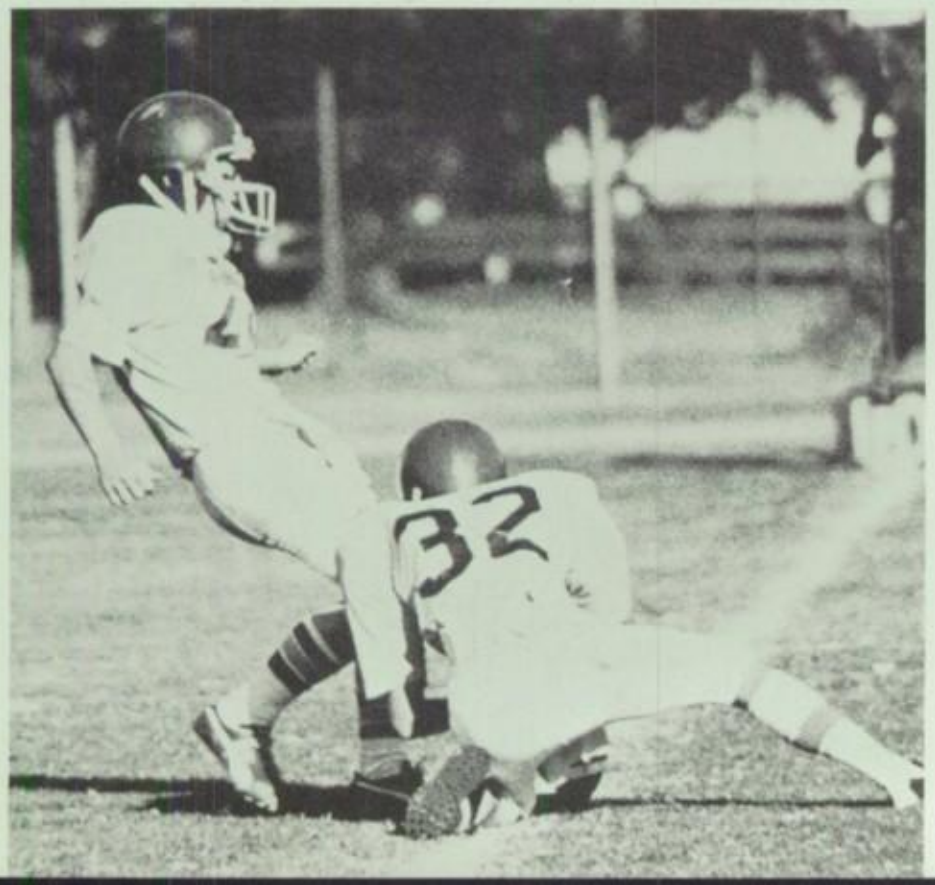
Freshman Football

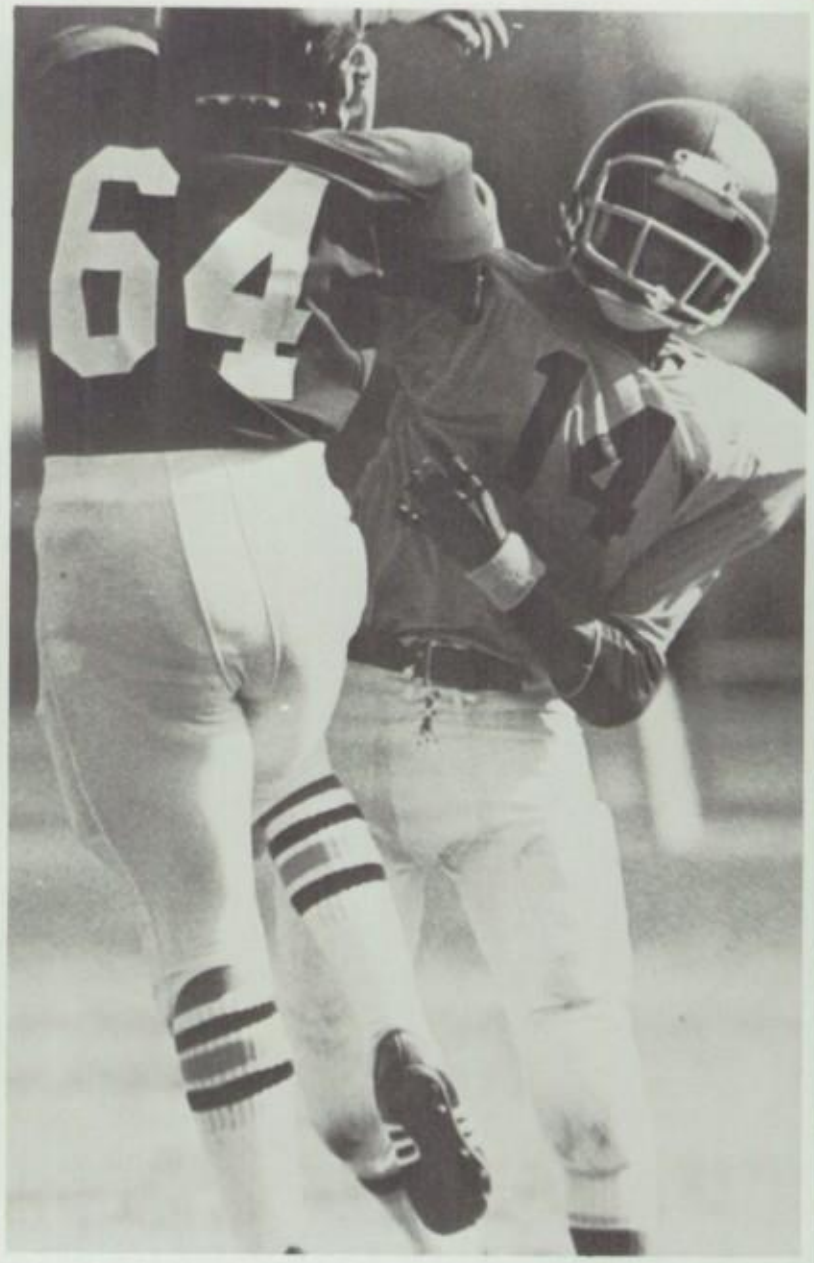
Front Row, Left to Right: Dan Day, Mike Jack, Frank Grim, Andy Thornton, Frank Ryan, Franscico Lopez, Ed Zavala, Brian Shorter, Bill Frimyer, Bob Trentacosta. 2nd Row: Richard Waite, Mike Julian, Bryan Kingston, Richard Alvarez, Pete Paolim, Ron Gillaspie, Joe Malagon, Chris Chikami, Mark Magnuson, Gary Turner. 3rd Row: Coach Little Shawn Purdy, John Becker, Alfie Williams, Randy Vander Brink, Stan Sanchez, Tom Giddings, Ravuth Pok, Bob Galbraith. 4th Row: Coach Ries, Tom Carney, Richard Ybarra, David Newby, James Rivera, Sam Weber, Adrian Marquez, Vic Roberson, Coach Oldfield. 5th Row: David Cathey, Dan Dayton, Steve Walker, Tony Rico, Tony Davis, Dan Samano, Dan Fenenbock, Tim McKay, Not Pictured: Eric Donaldson.

Pictured Left to Right: Coach Dave Oldfield, Coach Mike Little, and Coach Geoff Ries.



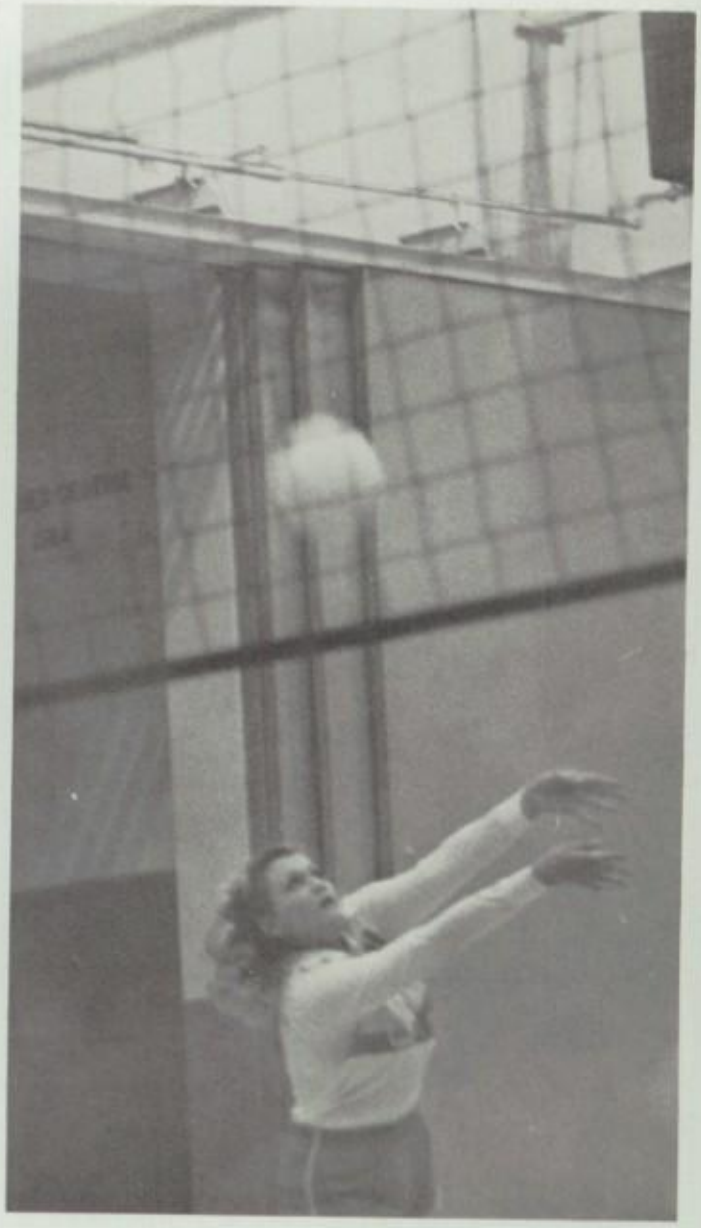
This year's freshman football team did an outstanking job witha 5-4 record. This allowed them to clench 3rd place in the Suburban League. The coaching staff did an outstanding job with the guys. The coaches were: Geoff Ries, Dave Oldfield, and Head Coach Mike Little.



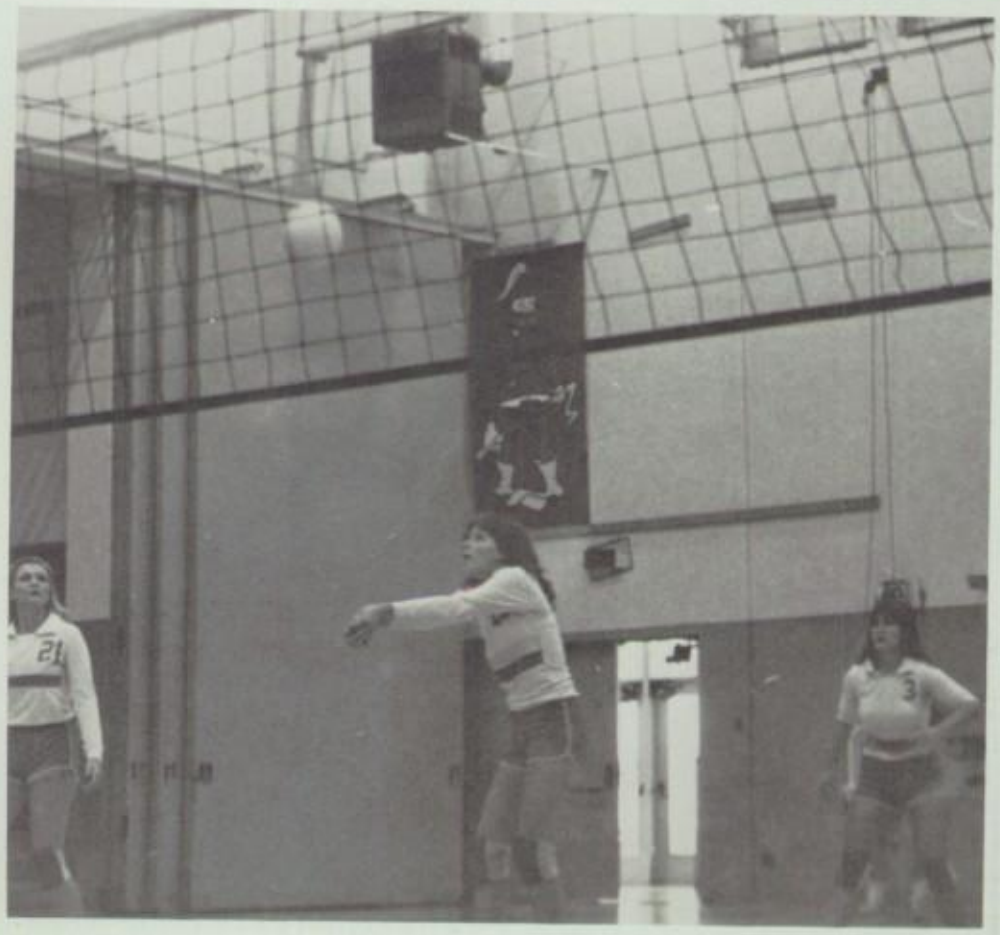


Varsity Volleyball

Left to Right: Kandis Clothier, Jni Jones, Cindi Selph, Renee Self, Darcie Melichar, Renae Kramer, Susan Lefebvre, Jamie Moore. Pictured Center: Coach Lynnette Waltner.

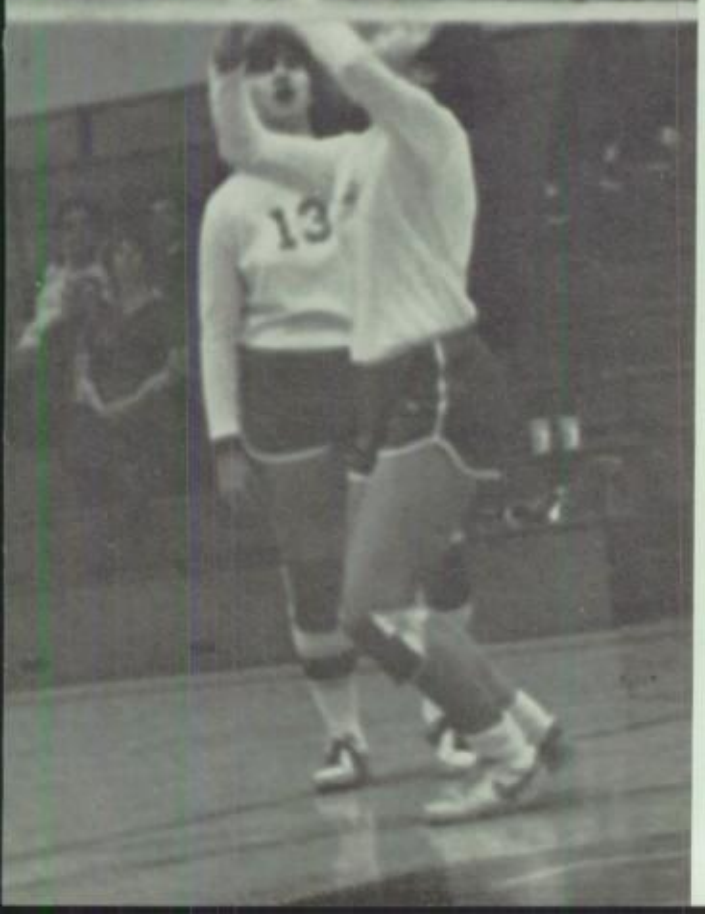


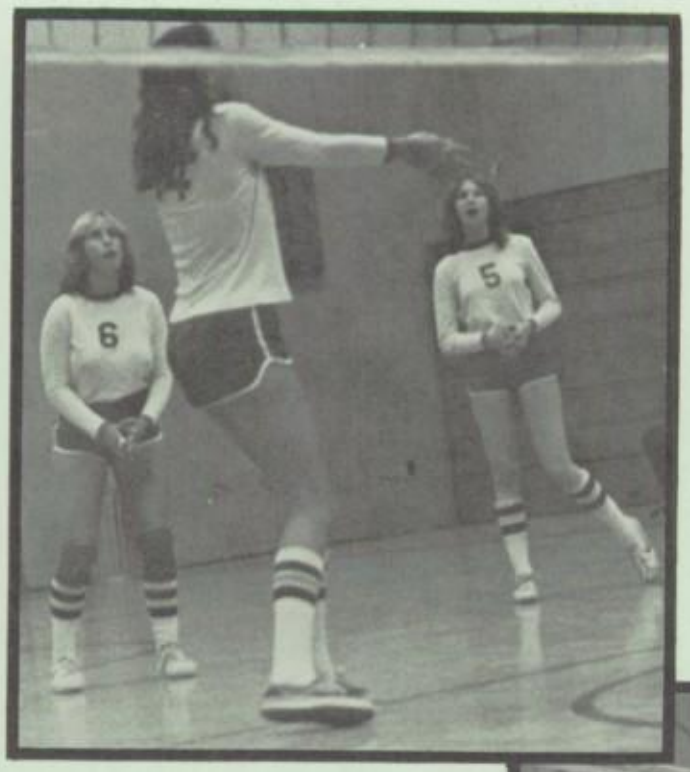
This year's Varsity team did a fine job. They broke even with a 7-7 record, entitling them to 4th place in league. This wasn't bad for a team with only two returning members (Cindi Selph and Renee Self). The one member of the team who did an outstanding job out on the court was Cindi Selph. Cindi was choosen for the All-League Ist Team. Congratulations Cindi!



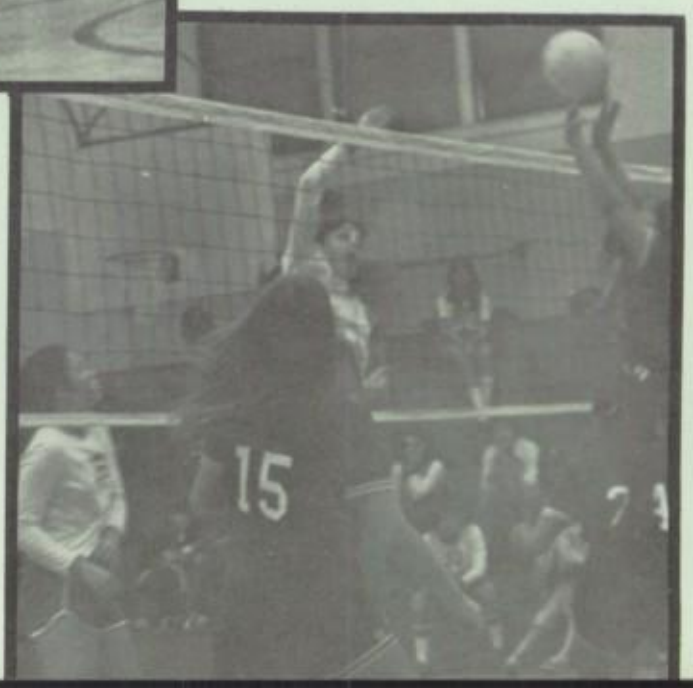
JV Volleyball

Top Row, Left to Right: Jodi Gibson, Donna Pennington, Susie Hallam, Coach Cathy Moore, Michelle Martin, Sandy Kramer, Kathy Richard. Second Row: Kathy Butterworth, Paulette Schramm, Rhonda Marcum, Heide Nomura. Seated in Middle: Michelle Young.



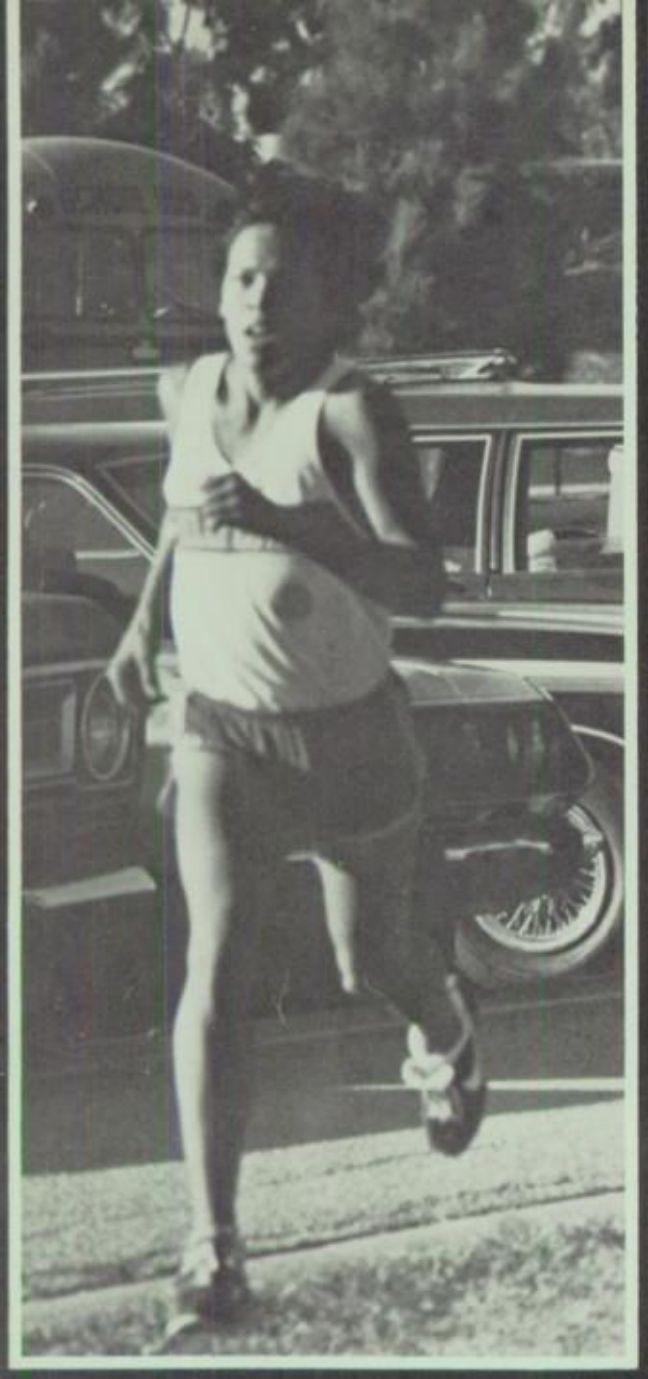


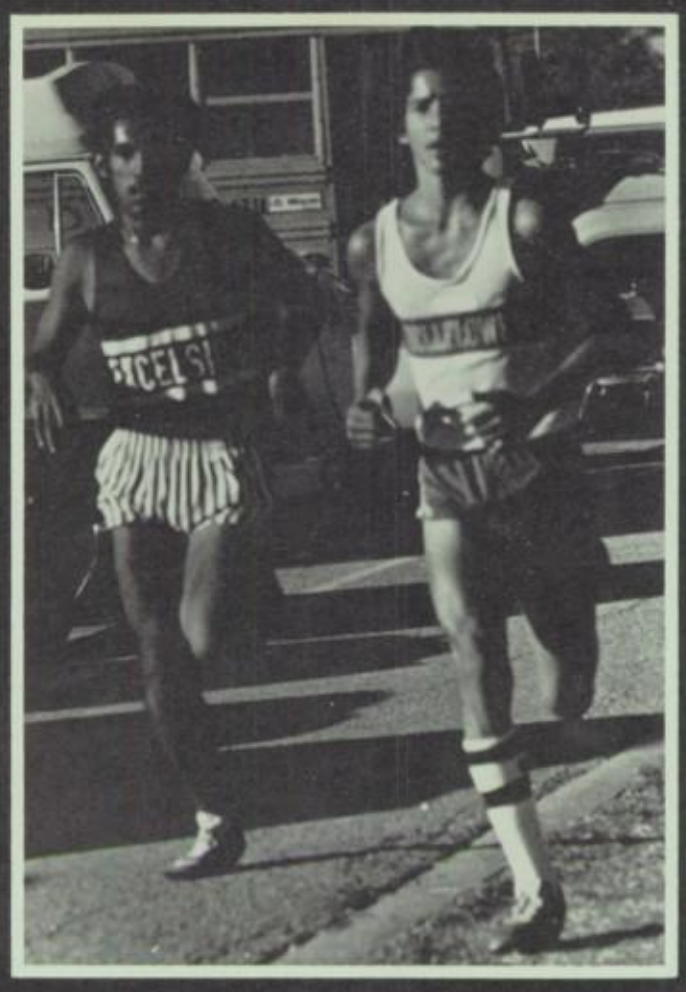
The JV Volleyball team did very well in league this year by coming in 3rd place. Their record was 10-4. This was a good placement for a team that had alot of new members and inexperence. The team also had a new rookie coach, Cathy Moore. She did a fine job for her first attempt at coaching.



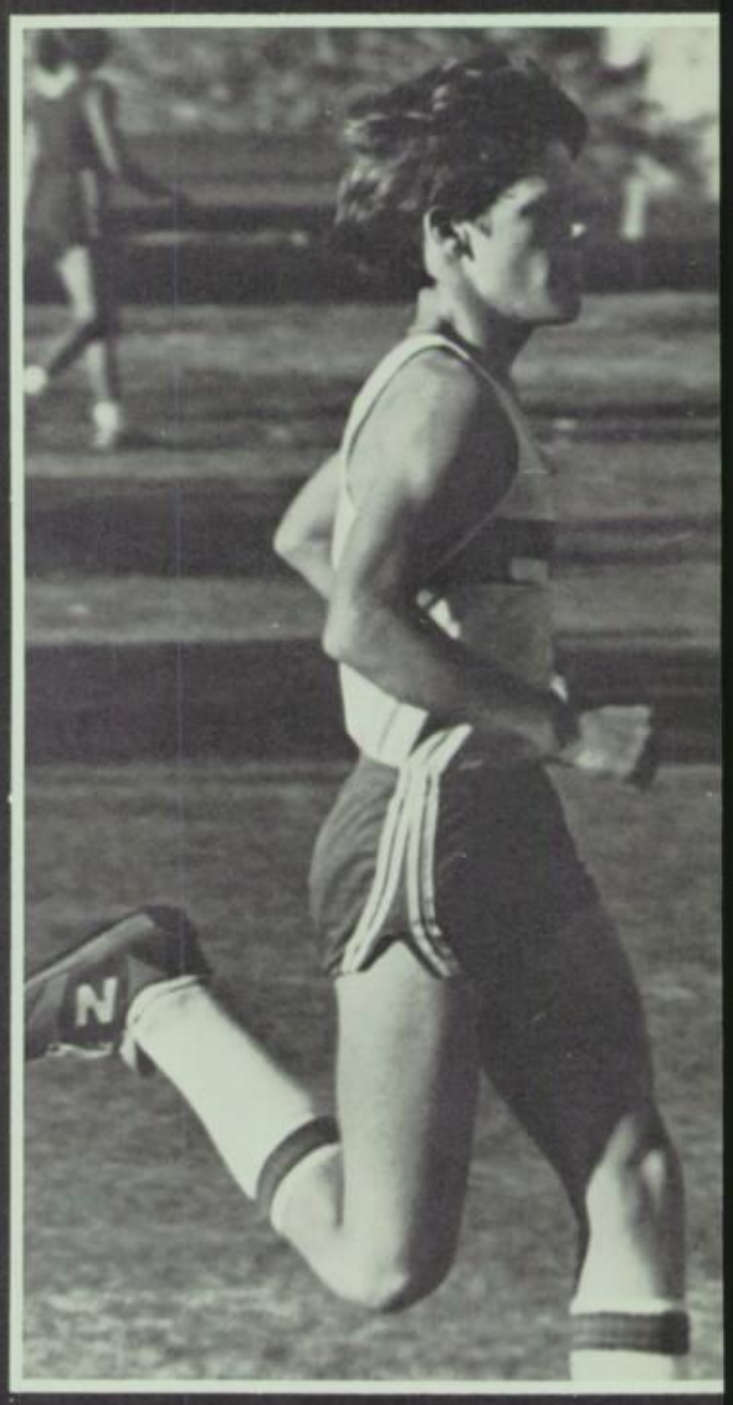
Varsity Cross-Country

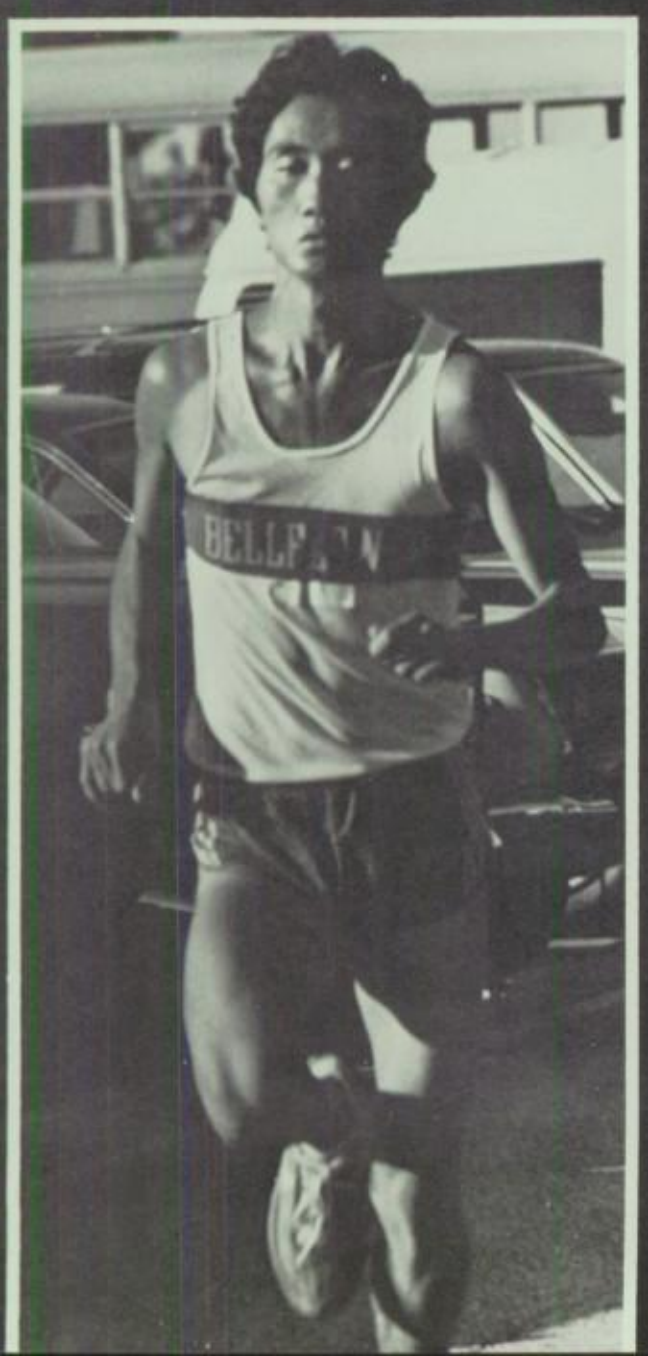
Front Row, Left to Right: Ken Krukow, Mike Leighliter, Mike Walton. 2nd Row: Siang Pheng, Dennis Zardeneta, Basilio Armendariz, Mike Kuhn. Not Pictured: Coach Bob Cape.





The Boys Cross-Country ended the season with a 2-5 record. Even though it's not that good of a record, it still entitled them to go on to C.I.F. Prelims. This year's team was a very hard working one and should of had a better record, but the team had some injured members during the season so this caused the great loss. The team will only be losing Senior member Dennis Zardeneta so we should have a good one next year.





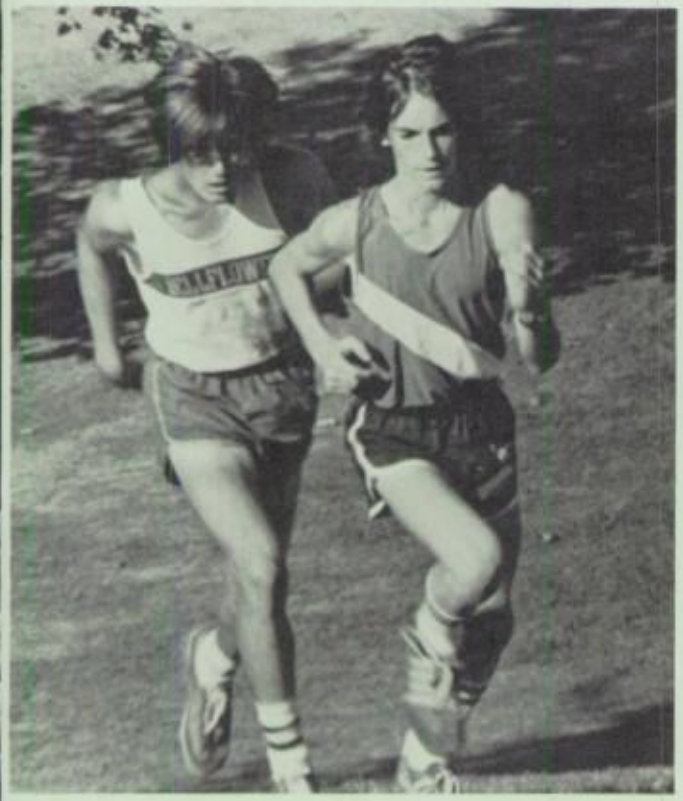
Girls Cross Country

Left to Right: Susan Leighliter, Julie Tison, Sandi Wielenga, Valerie Bocker, Janet Janes. Not pictured: Lynn Hoekstra, Coach Carol Cape.

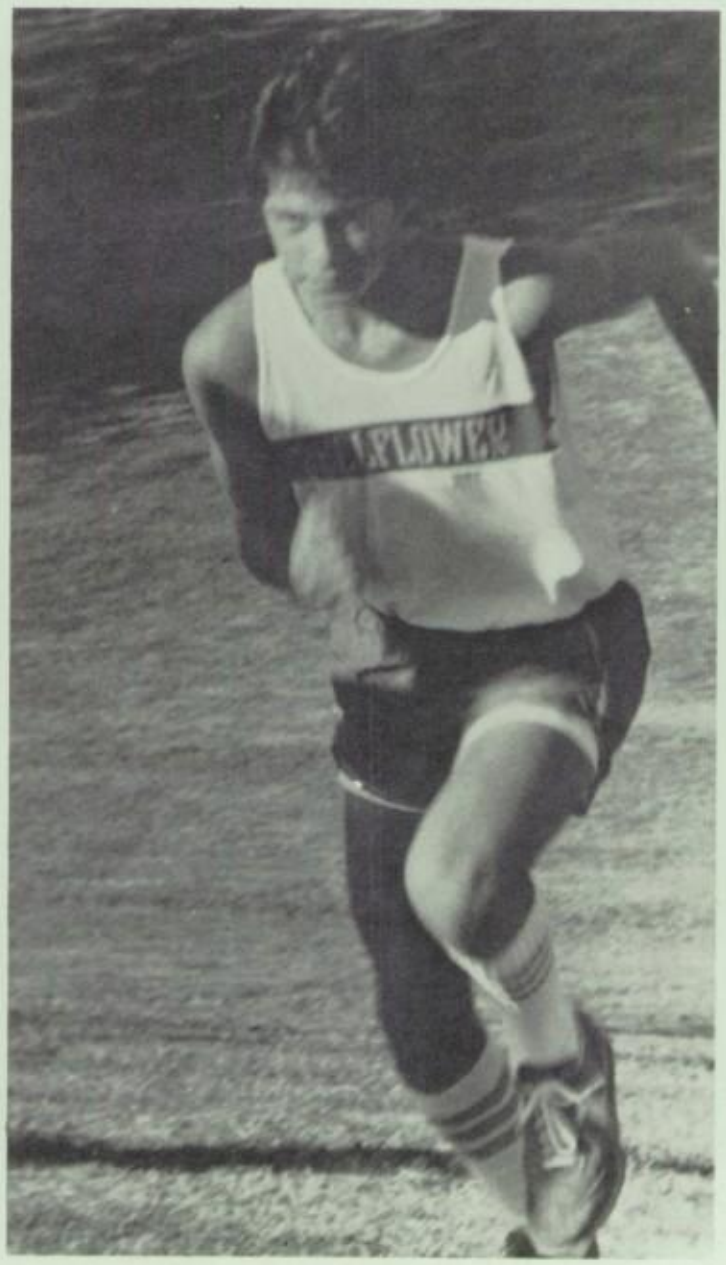
This year's Girls Cross-Country Team did a tremendous job by obtaining 2nd place in league with a 5-2 record. This allowed the girls to go on to C.I.F. prelims. Two members of the team who placed in the top ten for individuals in League Finals were Freshman Susan Leighter 7th, and Senior Julie Tison, who clenched 2nd place.

Freshman Cross-Country

Suburban League Champions



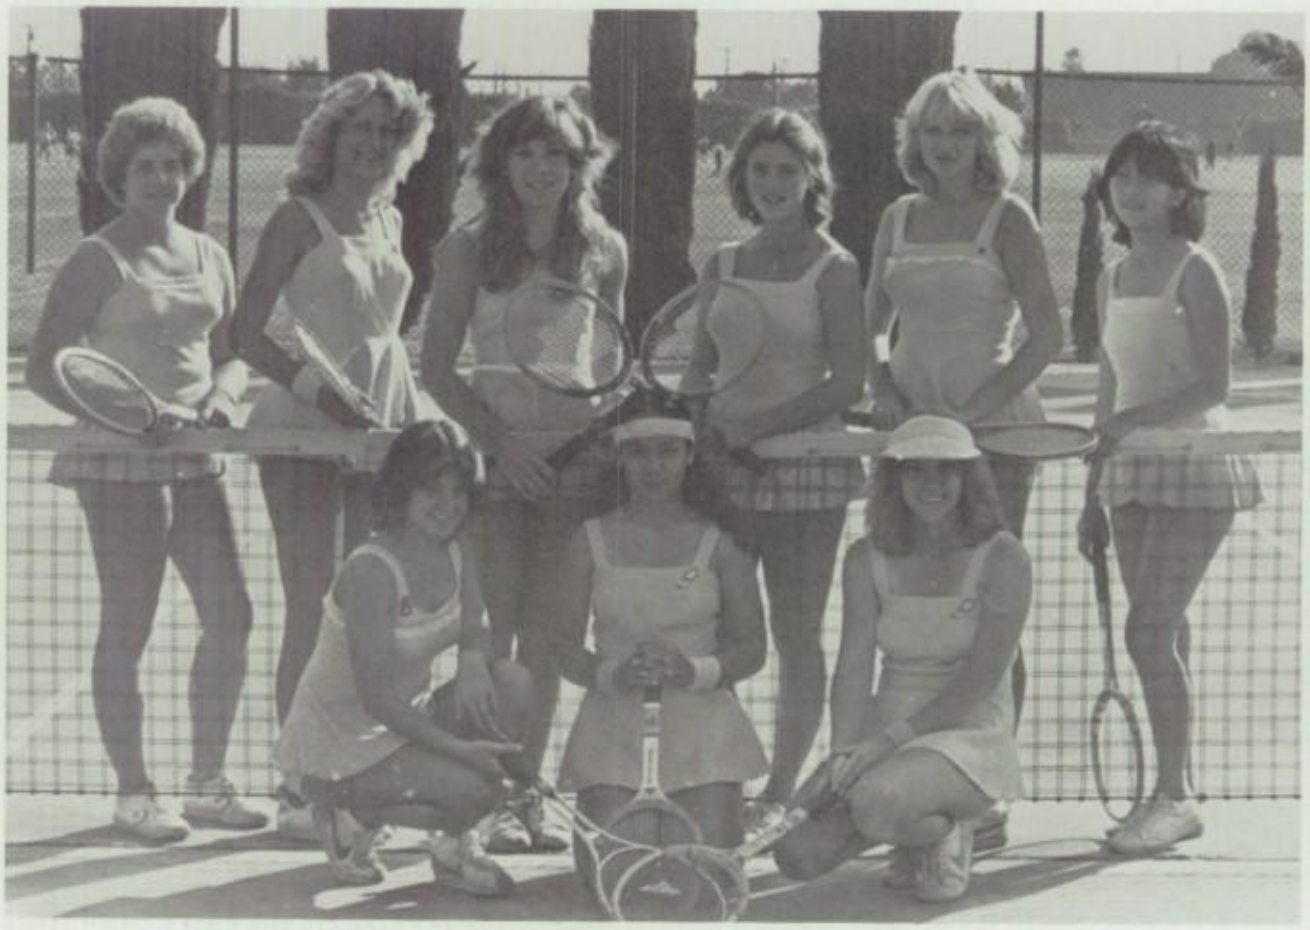
Left to Right: Sam Stevens, Kirt Sterndahl, Jerry Troutman, Doug Symiczek, Chris Colunga, Coach Brian Leighliter.



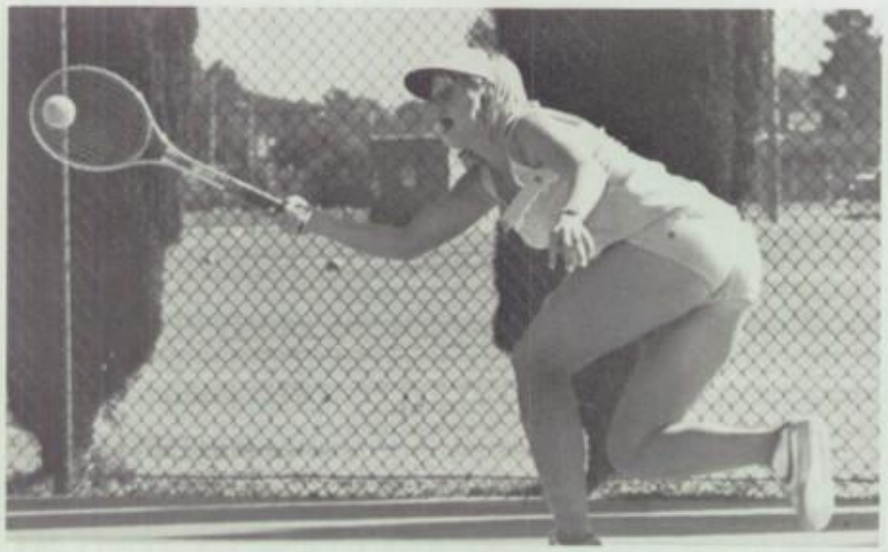
Congratulations to this outstanding Freshman team for becoming the Suburban League Champs. This was a very hard working team and they deserved the title. One member who helped lead the team to their 7-0 record success was Jerry Troutman.

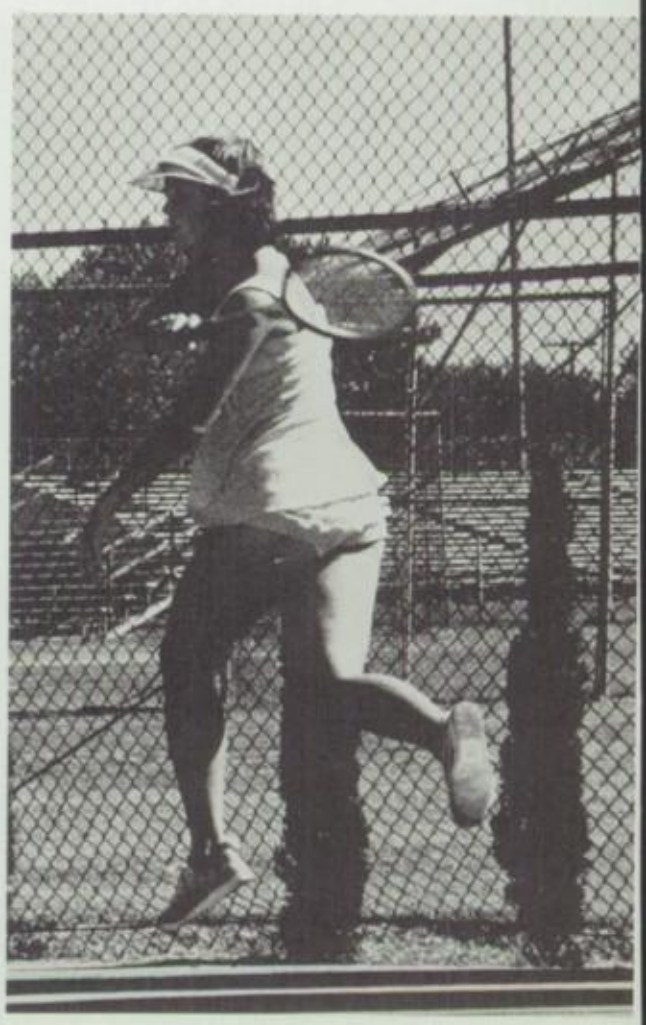
Girls Varsity Tennis

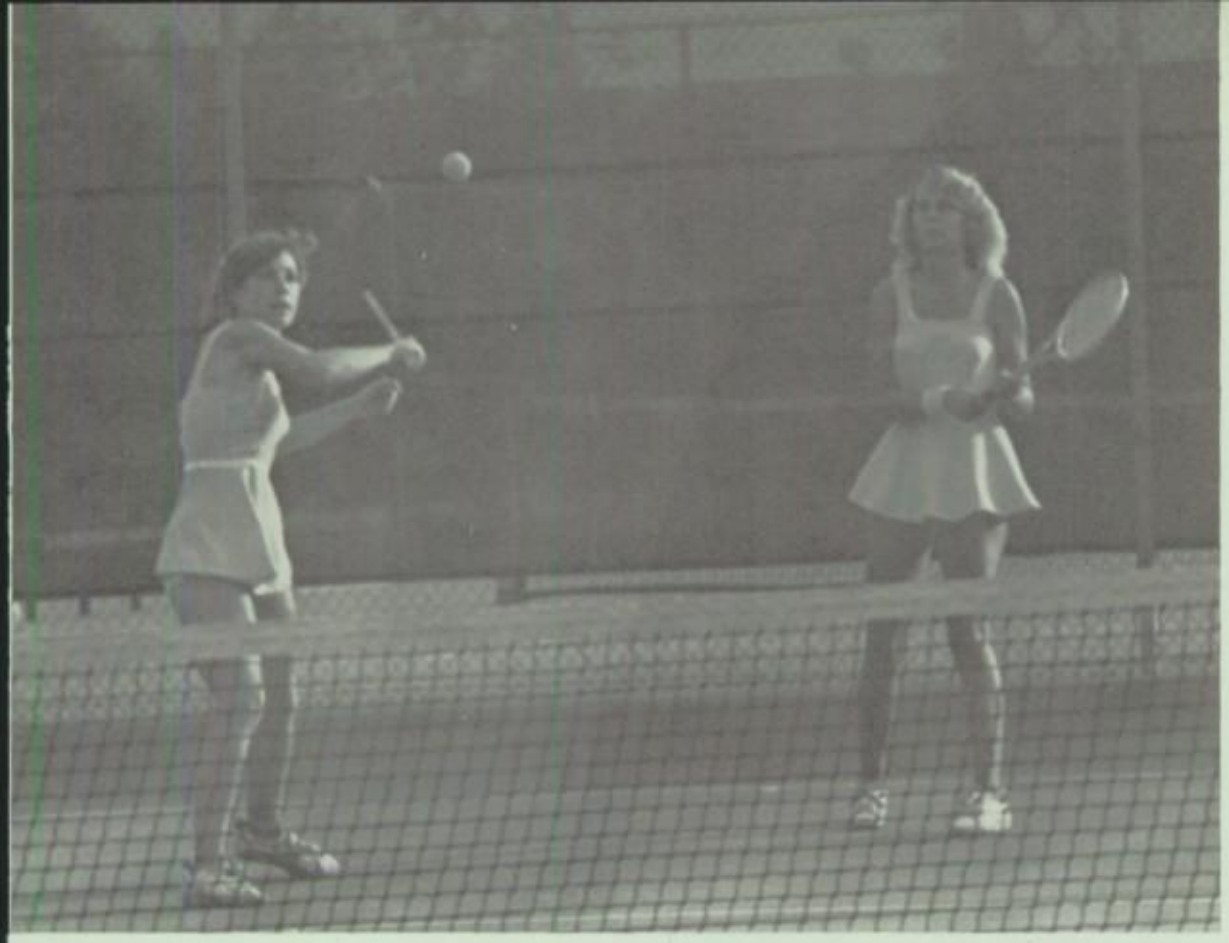
Suburban League Champions



Top Row, Left to Right: Ann Freeman, Lisa Miersma, Shanna Moore, Kristi Kane, Lynnette Battest, Mai Nguyen. Second Row: Toni Boniti, Kim Namnath, Dee McCaleb.

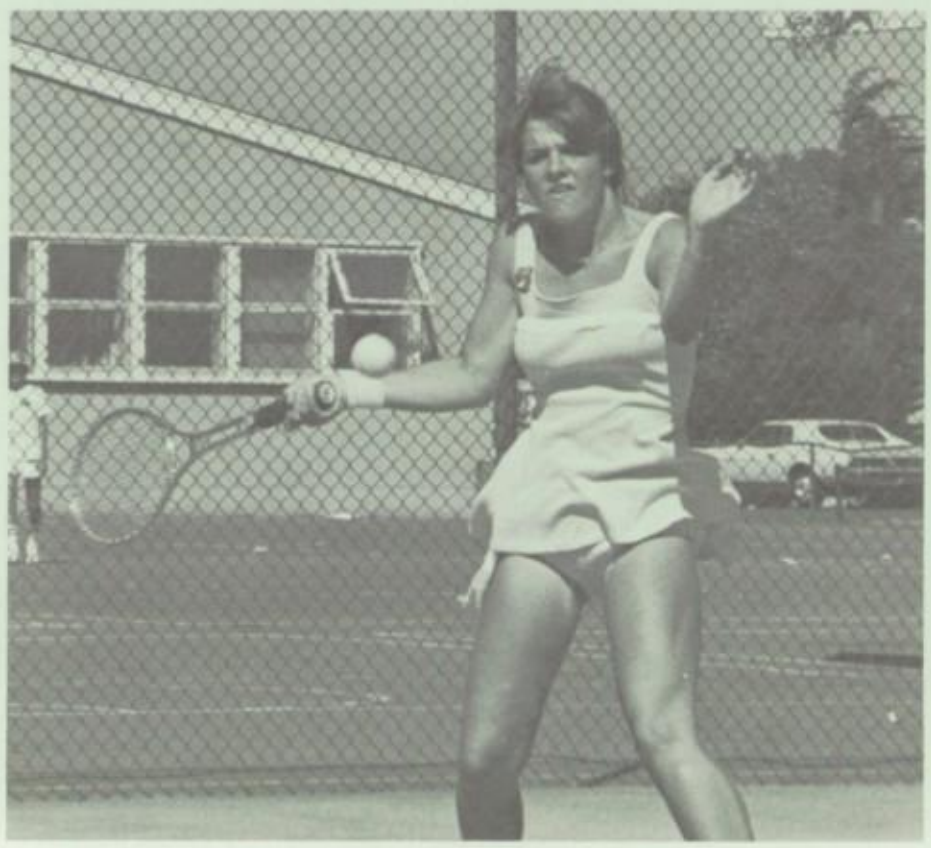






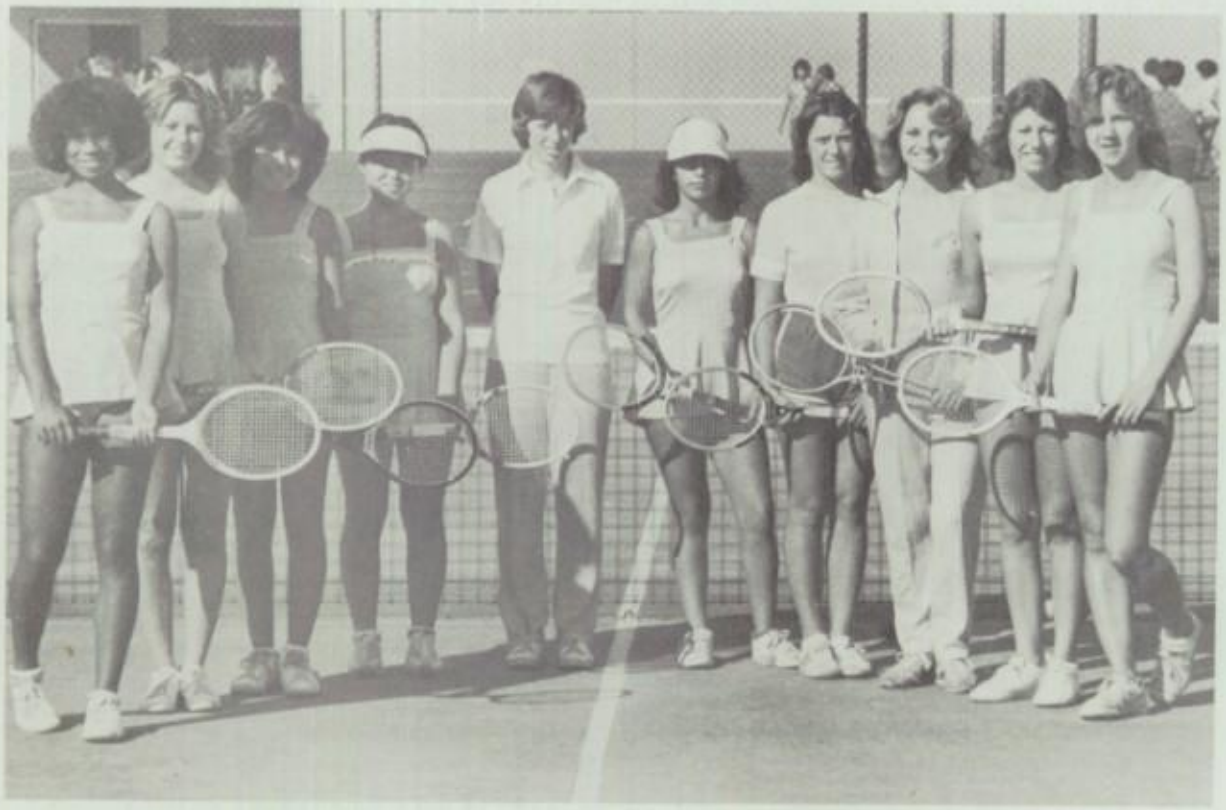
The Varsity Tennis Team had another undefeated year with a perfect 14-0 record. This inevitability allowed them team to go on to C.I.F., but much to Mrs. Douglas's disappointment the team lost the first round.

This year's team members consisted of 1st ranked singles player Ann Freeman. She placed 2nd in individuals in league, which entitled her to go on to C.I.F. Individual Tournament. 2nd ranked singles for the Bucs was Toni Boniti, and 3rd ranked top singles player was Mai Nguyen. For the doubles teams, 1st ranked were Lisa Miersma and Shanna Moore. They Placed 1st in the Suburban League and went on to the C.I.F. Individual Finals. The 2nd ranked team consisted of Lynnette Battest and Kristie Kane. The 3rd top doubles team was Dee McCaleb and Kim Namnath.

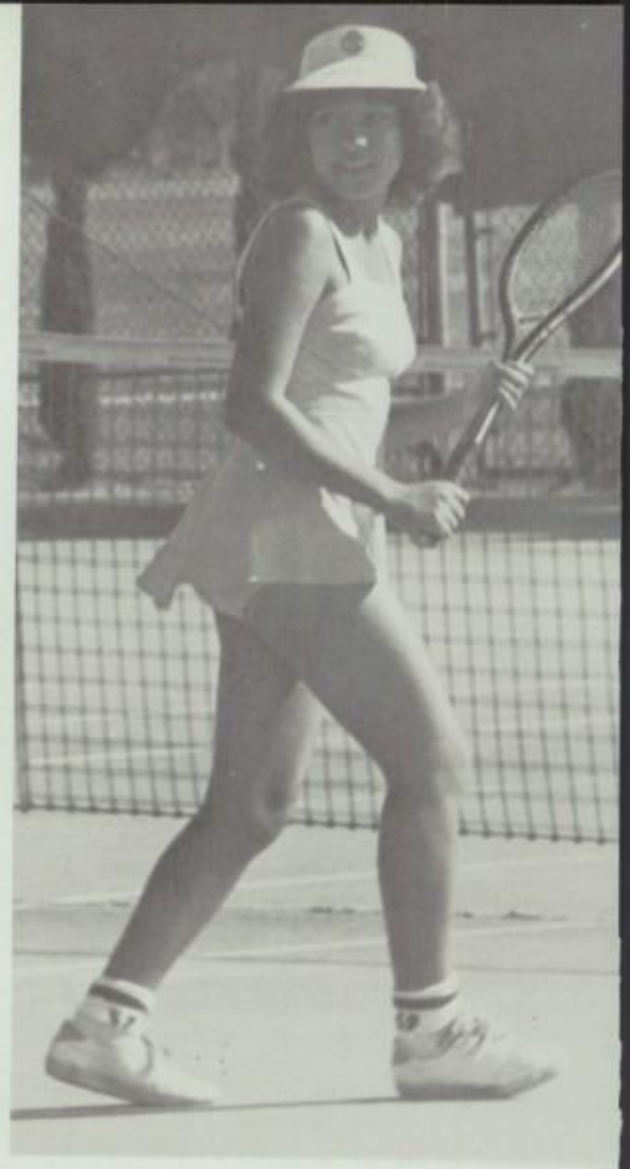


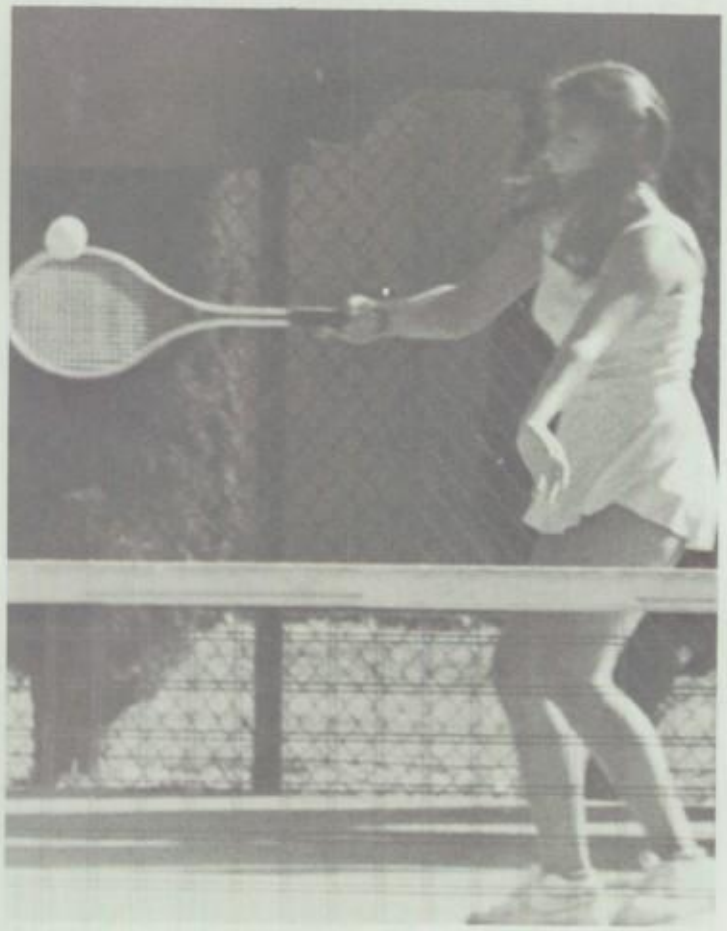
JV Tennis

Suburban League Champs



Left to Right: Allison Stits, Terri Wold, Gina Martinez, Sunghui Yoo, Coach Kim Boules, Maria Gomez, Carol Bustos, Ruth Holst, Debbie Mobly, Lisa Greenwood. Not Pictured: Sandy Sanchez.





The JV team followed in the foot steps of the varsity, in having a perfect season. They were 14-0 in league and became the Suburban League Champs. The girls did an outstanding job out on the court which entitled them to the victory. Congratulations!

Varsity Wrestling

This year's Varsity Wrestling Team gained a 4-2-1 record. That gave the matmen a 3rd place win in league. In League Finals only one member of the team, Abel Saenz, became a lst alternate at 115 lbs. to go on to C.I.F.

Some outstanding members of the team were Senior Shawn Miller. He had an excellent year. Shawn ended the season with a 3rd place win at League Finals. Winning the Most Inspirational Award this year was Clark Cavanaugh. The Most Improved Wrestler was Duane Kartchner. Receiving the Most Valuable Wrestler was Abel Saenz.

The J.V. Wrestling Team had a 2-5 record. This caused the them to get 4th place in league. This record was only due to the lack of experience. There are only two awards given out on the J.V. level. The Most Improved, which John Jakens received and the Most Valuable, which Van Wells received.

The Varsity Basketball team ended the total season with a 7-13 record and a 7-7 record for league. With this record, the cagers acquired 4th in the league standings. Some of the problems that contributed to the season's record was that the team only held an average height of 5'll". Also the lack of experience of varsity play, because there was only one returning varsity member, Craig Martin. Not to be overlooked either, that there was a new head coach, Mike Leininger. Coach Leininger has only been coaching 2 seasons. One of those seasons was only spent on the coaching of defense.

Working as a team to help the Bucs out were co-captians Paul Rozelle and Craig Martin. Paul Rozelle led the team with high scoring average and Craig Martin following with the rebounds.

COACH

Kevin Boyce

J.V. Basketball ended their season with a 6-14 record and a 6-8 league record. This record caused a 6th place standing in league. The J.V.s were led by their first year coach Kevin Boyce. Coach Boyce used the talents of Phil Brown and Keith Benjamin to score most of the team points, and Russ Laziki and Phil Brown pulled down the rebounds. Since the cagers had only 4 freshman from last years team that had worked together this presented problems for the Bucs.

Freshman Basketball

Left to Right: Duane Dezeeuw, Mike Benjamin, Randy Vander Brink, John Becker, Scott Astrosky, Roger Pihlaja, Ted Romo, Vic Roberson, Brian Halbersma, Franciso Lopez, David Harris, Stan Sanchez, Bill Kobzoff, Lan Vu, Jerry Drake.

Coach Richard Weiman

Bellflower's Freshman Basketball Team had an unusual season this year. After the first round of competition the team was in first place. But different reasons beyond the teams control, they ended up with a 5-9 record. This caused them to receive a 6th place standing in league.

By the opinion of Coach Richard Weiman, the key rebounders were David Harris, Ted Romo, and Vic Roberson. The most valuable player award was given to Mike Benjamin. He was the top scorer on the team and an all-around good player. Coach Weiman feels that Mike was the best guard in the league this year. The most improved player was Randy Vander Brink. This award was given to him because of his good attitude and a very memorable game. This was the three baskets he made in less than a minute to play, causing an upset over Artesia, whom went on to become the League Champs. This was the first victory over Artesia since Coach Weiman has been at Bellflower.

Bobbie,
I'll never forget the first time we tried out for Drill and I thought we were really good but we didn't make it and Margo did. We've been on Drill 3 yrs. and think we've had our ups and downs but we've always come through. I still our real good friends. Next year is going to be great on Varsity. Love,

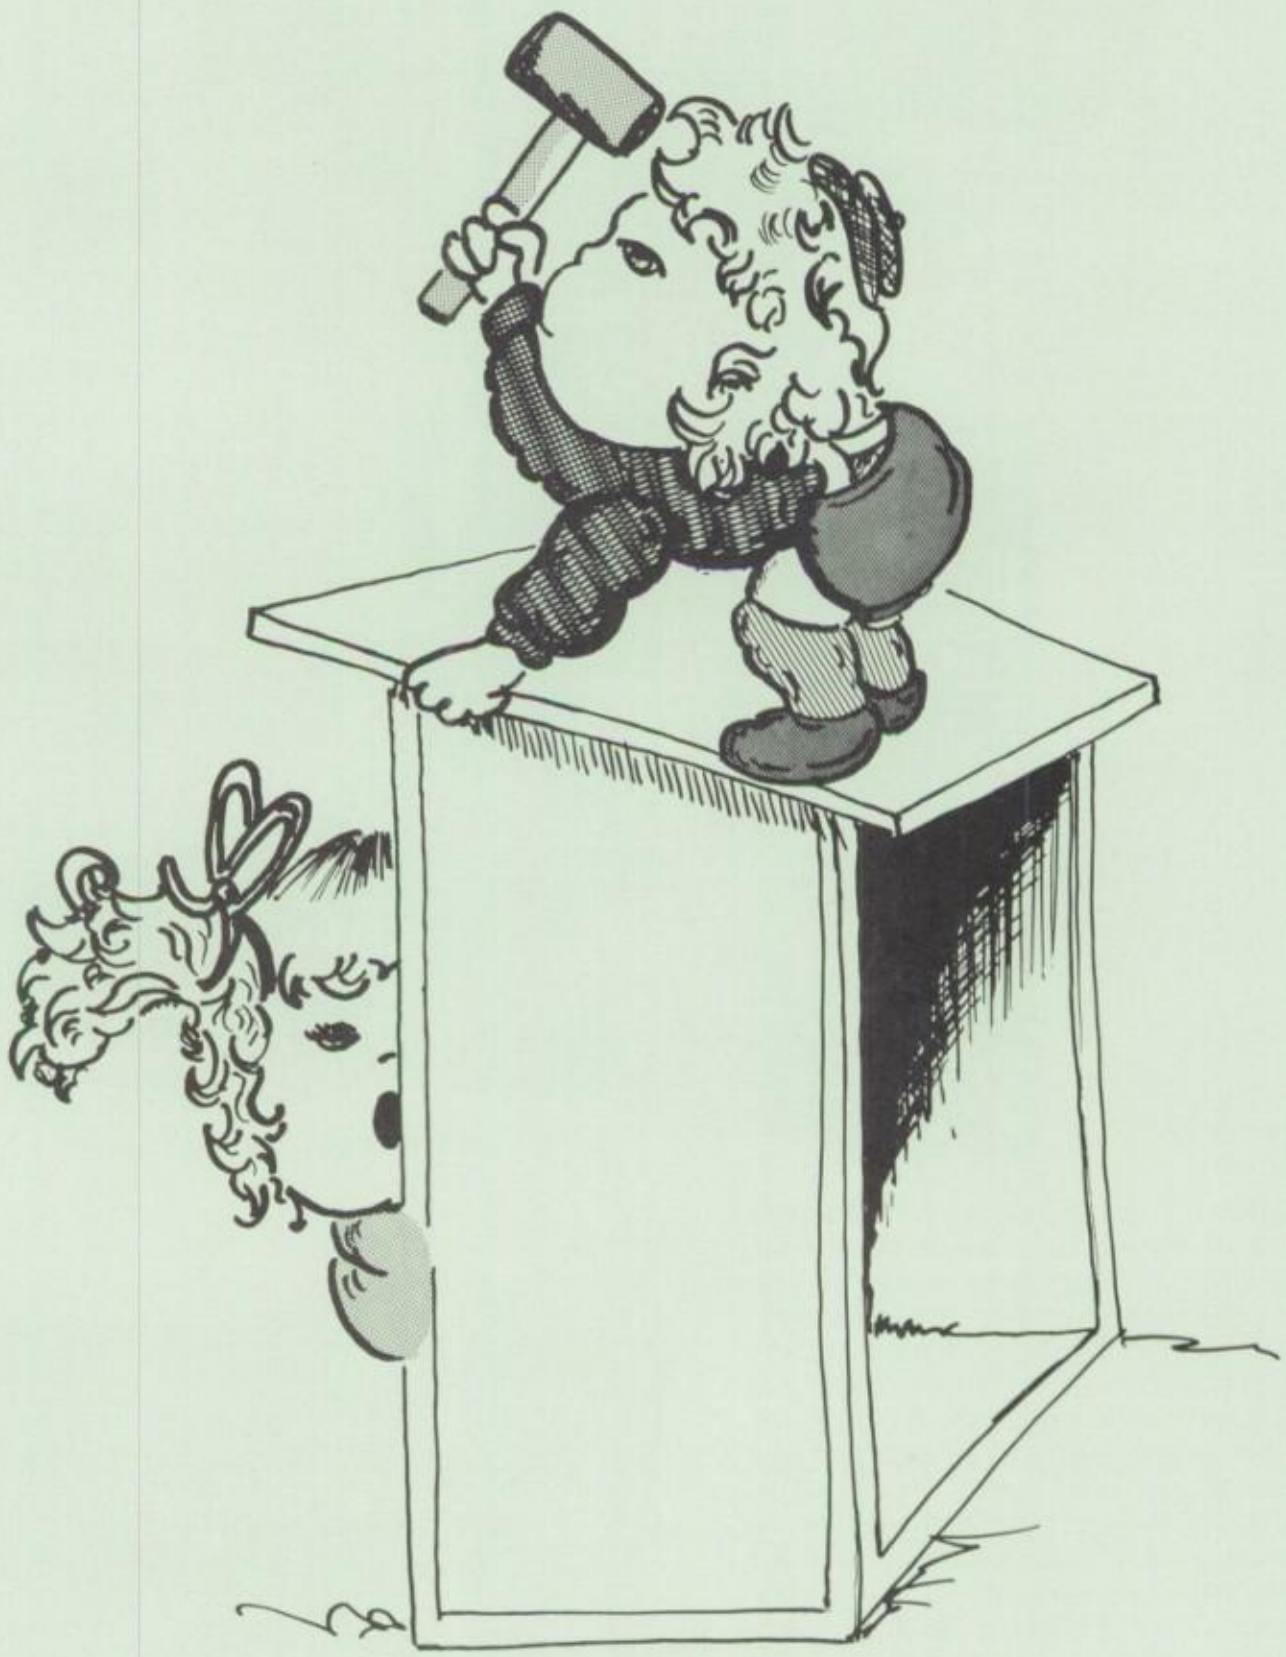
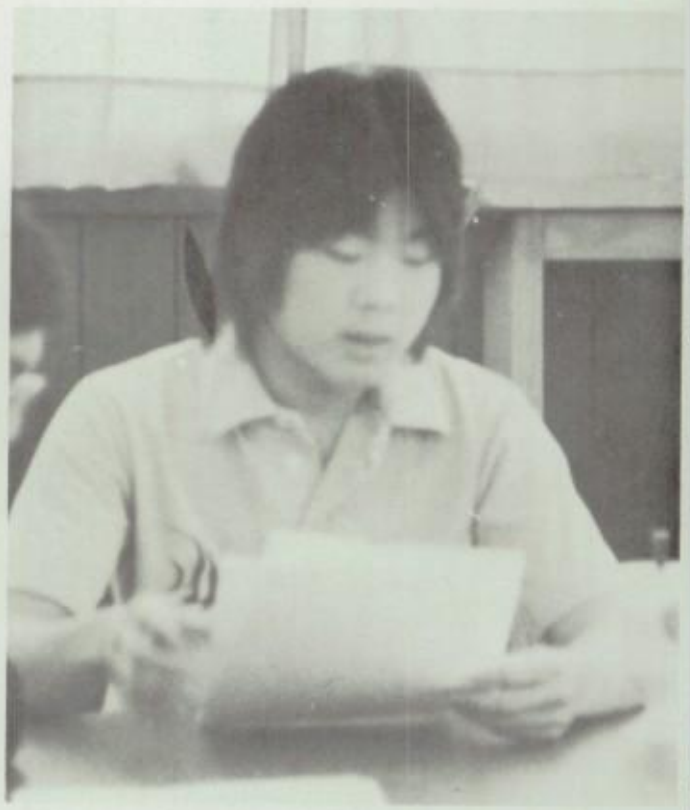
ORGANIZATIONS



A.S.B. Cabinet



ASB cabient working under limited time because of the cancelation of their leadership class accomplished much by putting on Homecoming, Intermaural volleyball and sponsoring several dances. ASB cabient planned to do more than just "Kick Back" with just normal ASB functions but went out and revitalized the Student Court, Grevience Committee, and Class Assemblies. Planning for the combining of Bellflower and Mayfair High Schools, the ASB cabient set out to pull closer together the two Schools by planning inter school activities such as combined Powderpuff football, Donkey Basketball, and combined music Dept. concert. ASB also planted a new tree on campas, and new concrete benches along spirit walk, and by repainting Senior Square. Also a major plan was to upgrade the P.A. system in the gym, all this and approving every activity or happening on campas.

IOC Club

WSF week and activities are a big part of IOC functions. The various activities included a tug-o-war contest, mouse race, pie eating contest and many other exciting events.

The only method of student voice in school government is through the house of Reps., which is a very important part of Bellflower High School.

House Of Reps.

Composed of Ensemble, Angels, Chior, Mixed Chorus, and girls glee this year's Vocal Music Dept. put on their annual music concerts with much enthusiasm and talent. Other activities included the Ist annual Jazz Festival, the choral Banquet and the recording of their sixth Album.

For Someone Special

Bobbi, I am really glad we have come the best of friends. I Know we will still be good friends next year too! I just hope we wont let Song & Dell come between us. It may seem like we are gonna fight alot but I Know we can handle it. I just want you to Know that you can always come too me when oops you need someone to listen to your problems. (Like boys) (J.K.) What seems to be both of our problems this year. We are just not gonna think about it this summer, cuz this our summer! Well there is nothing else to say except "Love ya lots."

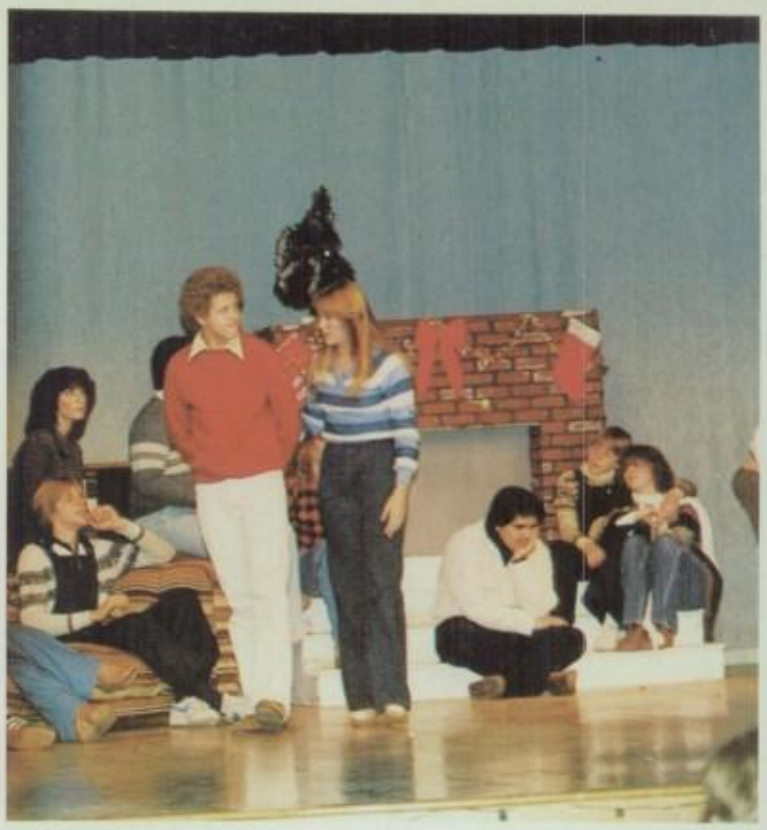
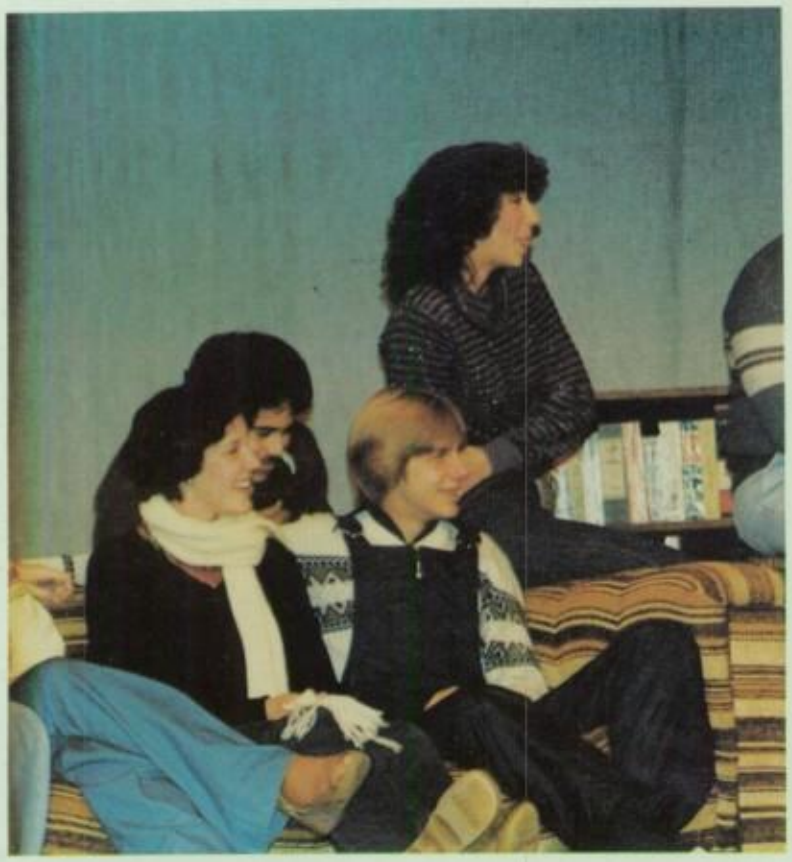
Ensemble



After another year of Pizza sales, annual concerts and an exciting tour to Washington D.C. and the east coast, this year's ensemble, under the direction of Tom Dustman, has grown from a young group to a talented group of hard working men and women.



Although the 1980 Treasure Chest staff had more than its share of hard times and hurried deadlines, we turned out another good annual at BHS. Turning out an annual isn't as easy as it sounds. There are many hours of preparation that go into it, including a majority of them before and after school.

At this time I would like to thank the whole staff for their sacrifices. There were many times when we thought we weren't sure if there was even going to be an annual, but we stuck together and put it out. A special thanks is due also for Mr. Moore, who put up with all of our messing around. His patience and sense of humor kept us together.

In closing, I would like to say, We Made It!! Thanks again for all the great times that we will never forget.
